are you being served episodes: The British Sitcom Spinoff Film Stephen Glynn, 2023-12-07 This book constitutes the first full volume dedicated to an academic analysis of theatrically-released spinoff films derived from British radio and television sitcoms. Regularly maligned as the nadir of British film production and marginalised as a last resort for the financially-bereft industry during the 1970s, this study demonstrates that the sitcom spinoff film has instead been a persistent and important presence in British cinema from the 1940s to the present day, and includes (occasional) works with distinct artistic merit. Alongside an investigation of the economic imperative underpinning these productions, i.e. the exploitation of proven product with a ready-made audience, it is argued that, with a longevity stretching from Arthur Askey and his wartime Band Waggon (1940) to the crew of Krupt FM and their recent People Just Do Nothing: Big in Japan (2021), the British sitcom spinoff can be interpreted as following a full generic 'life cycle'. Starting with the 'formative' stage where works from Hi Gang! (1941) to I Only Arsked! (1958) establish the genre's characteristics, the spinoff genre moves to its 'classic' stage where, secure for form and content, it enjoys considerable popular success with films like Till Death Us Do Part (1969), On the Buses (1971), The Likely Lads (1976) and Rising Damp (1980); the genre's revival since the late-1990s reveals a more 'parodic' final stage, with films like The League of Gentlemen's Apocalypse (2005) adopting a consciously self-reflective mode. It is also posited that the sitcom spinoff film is a viable source for social history, with the often-stereotypical re-presentations of characters and events an (often blatant) ideological metonym for the concerns of wider British society, notably in issues of class, race, gender and sexuality.

are you being served episodes: Last of the Summer Wine Andrew Vine, 2010-09-25 An insider's look at story behind the longest running situation comedy in British television history. Quite simply, Last of the Summer Wine is the longest-running comedy programme in the world. It premiered thirty-seven years ago, in 1973, and, after thirty-one series it finally came to an end—even though all its original protagonists—Compo, Foggy, even Nora Batty—are now dead. Remarkably, for a series of such longevity and international appeal, it is all about elderly people, has little action or plot, and is set and filmed in and around the small Yorkshire town of Holmfirth. Now, Andrew Vine, the deputy editor of Yorkshire's daily newspaper, has written the definitive history of this television phenomenon. It covers the show's inauspicious beginnings, with low ratings, its endless reinvention as participants like Bill Owen, Michael Bates, Brian Wilde and Kathy Staff retired or died, the appearance of a string of guest stars from John Cleese and Norman Wisdom to Thora Hird and Russ Abbott (both of whom soon found themselves fixtures in the cast), and the ingenious plot contrivances as the protagonists became too old and frail to attempt any of the slapstick stunts with runaway prams—indeed any outdoor action. The town of Holmfirth is now a year-round tourist attraction, and the endless availability of the show via streaming, ensures that Last of the Summer Wine, and the book it inspired, will live on for generations of fans.

It has new stories about Calebs adventures like in the first book of The Caleb, A Christian Dog. Some stories are ongoing. All the books of The Caleb series tie into each other with this book. Writing books is hard for me because I cannot clearly see. It is impossible to remember lost poems, so you will be getting new poems. The poem Forgiveness is in all my books. Some are new, and there are duplicated pictures of Caleb and other slogans. It is my hope that this book will bring you the much-needed scripture and teachings of the Bible, which will further your walk with Jesus. Caleb and I have learned so much about walking the talk that we teach you by writing this and the other

books of the series. This book has ongoing instructions about why and how to avoid demonic happenings and attacks from Satan. Most of this book is nonfiction, but the fiction stories are just as amazing. I feel that by not attempting to write this book for the third time would be to cheat my readers of valuable information about the kingdom of God. It covers new topics left off from books 2 and 3. I pray you will enjoy this book as much as people have said they did with the first four. Lots of love and prayer have gone into the creation of all my books for you, but this one has been the hardest to write so far. The first book of the series is for adults and children. Book 2 is a high school-level Bible study. Book 3 is for college, and book 5 is your doctorate level. Book 4 is found on another source and is a colored paperback. It is different from the other books and is more for the collector of the series. Love, Diann and Caleb
