****Storytellers Start Up Finding Learning Performing and Using Folktales Including Twelve Tellable Tales****

storytellers start up finding learning performing and using folktales including twelve tellable tales is an exciting journey that blends ancient wisdom with modern creativity. Whether you're a budding storyteller or an entrepreneur aiming to launch a storytelling-focused startup, diving into the world of folktales offers a treasure trove of inspiration. This article explores how such startups can discover, learn, and perform folktales, while also highlighting twelve tellable tales that captivate audiences and keep traditions alive.

Discovering the Magic: Storytellers Start Up Finding Folktales

When storytellers start up finding learning performing and using folktales including twelve tellable tales, the first step is discovery. Folktales aren't just old stories; they are cultural gems passed down through generations, each carrying unique lessons, humor, and universal truths. For startups, finding these stories involves research, community engagement, and tapping into oral traditions.

Unearthing Folktales from Different Cultures

One of the biggest advantages of folktales is their diversity. From African Anansi stories to European fairy tales, there's a wide array of narratives waiting to be told. Startups can collaborate with cultural historians, local elders, or storytellers to collect authentic tales. Digital archives, libraries, and folklore societies also provide rich resources.

Using Technology to Find and Preserve Folktales

Modern startups can leverage technology to not only find but also preserve folktales. Mobile apps, podcast platforms, and digital storytelling tools allow these stories to reach global audiences.

Augmented reality (AR) and virtual reality (VR) can even bring folktales to life, making the experience immersive and interactive.

Learning the Art of Storytelling from Folktales

Once folktales are found, learning how to perform and use them effectively is crucial for any storytelling startup. Storytelling is an art that combines voice modulation, body language, and emotional connection.

Mastering the Narrative Techniques

Folktales often follow classic storytelling structures—introduction, conflict, climax, and resolution.

Startups should study these patterns to keep audiences engaged. Learning to pace the story, use vivid descriptions, and incorporate pauses can dramatically enhance the listening experience.

Training Storytellers: Workshops and Practice

Many startups organize workshops where storytellers practice their craft, receive feedback, and refine their performances. Role-playing, improvisation exercises, and audience interaction are vital components of these sessions. This not only improves delivery but also helps storytellers internalize the cultural significance of each tale.

Performing Folktales: Bringing Stories to Life

Performing folktales is where the magic truly happens. Storytellers start up finding learning performing and using folktales including twelve tellable tales emphasizes the importance of performance in connecting with audiences.

Engaging Different Audiences

Whether performing for children, adults, or multicultural groups, storytellers must tailor their approach. Using props, costumes, or music can enhance the storytelling experience. Digital performances via live streams or recorded videos have also become popular, allowing startups to broaden their reach.

Incorporating Interactive Elements

Interactive storytelling invites the audience to participate—be it through call-and-response, guessing games, or dramatizations. This engagement fosters a deeper connection and helps preserve the oral tradition by making storytelling a shared experience.

Using Folktales in Various Contexts

Folktales aren't just for entertainment; they hold educational and social value. Storytelling startups can use folktales in schools, corporate training, therapy, and community development.

Educational Storytelling

Teachers and educational startups can use folktales to teach language skills, moral lessons, and cultural awareness. Folktales naturally lend themselves to discussions about history, values, and critical thinking.

Corporate and Team Building

Folktales can serve as metaphors for leadership, teamwork, and problem-solving. Storytelling workshops in corporate settings help cultivate empathy, creativity, and communication skills among employees.

Therapeutic Storytelling

In therapeutic contexts, folktales can help individuals explore emotions, overcome challenges, and develop resilience. Narrative therapy often incorporates storytelling as a tool for healing and self-expression.

Twelve Tellable Tales for Storytelling Startups

To get started, here are twelve timeless folktales that are perfect for storytellers start up finding learning performing and using folktales including twelve tellable tales. These stories are versatile and resonate with audiences worldwide.

1. **Anansi the Spider (West African Folktale)** – A clever trickster tale teaching wit and resourcefulness.

2. **The Tortoise and the Hare (Aesop's Fables)** – A classic story about patience and perseverance.
3. **The Monkey and the Crocodile (Indian Panchatantra)** – A tale of friendship and cleverness.
4. **Stone Soup (European Folktale)** – A story about cooperation and sharing.
5. **The Lion and the Mouse (Aesop's Fables)** – Teaching kindness and the value of small friends.
6. **The Rainbow Serpent (Australian Aboriginal Myth)** – Explains creation and respect for nature.
7. **The Boy Who Cried Wolf (Aesop's Fables)** – A lesson about honesty and trust.
8. **Why the Sky is Far Away (Nigerian Folktale)** – An origin story with a moral about gratitude.
9. **The Golden Fish (Slavic Folktale)** – A story about greed and humility.
10. **Brer Rabbit and the Tar Baby (African-American Folktale)** – A tale of cunning and quick thinking.
11. **The Fisherman and the Genie (One Thousand and One Nights)** – A story of fate and cleverness.
12. **The Clever Fox (Japanese Folktale)** – A story highlighting intelligence and adaptability.

These twelve tales offer rich material for storytelling startups to practice, perform, and adapt for contemporary audiences.

Building a Sustainable Storytelling Startup

Launching a storytellers start up finding learning performing and using folktales including twelve

tellable tales requires more than just passion—it demands strategy and community building.

Networking with Cultural Organizations

Partnering with museums, cultural centers, and folklore societies can provide startups with access to authentic stories and performance opportunities. These collaborations also boost credibility and audience reach.

Monetizing Storytelling

Startups can explore various revenue streams such as live performances, storytelling workshops, educational materials, and digital content subscriptions. Offering customized storytelling experiences for events or corporate clients opens additional avenues.

Creating a Digital Presence

In today's digital age, an engaging website, active social media profiles, and multimedia content are essential. Sharing snippets of folktales, behind-the-scenes footage, and storytelling tips helps attract followers and potential clients.

Embracing the Future While Honoring the Past

Storytellers start up finding learning performing and using folktales including twelve tellable tales is a beautiful way to bridge generations. By honoring traditional narratives and adapting them with fresh perspectives, startups keep the art of storytelling vibrant and relevant.

Whether you're drawn to the rhythmic cadence of a West African folktale or the universal morals of Aesop's fables, the world of folktales offers endless possibilities. As you embark on your storytelling journey, remember that every tale carries the power to inspire, educate, and connect us all—one story at a time.

Frequently Asked Questions

What is the main goal of the Storytellers Start Up focused on folktales?

The main goal of the Storytellers Start Up is to find, learn, perform, and use folktales, including twelve tellable tales, to preserve cultural heritage and engage audiences through storytelling.

How can beginners find authentic folktales for storytelling?

Beginners can find authentic folktales by researching folklore collections, visiting libraries, exploring online archives, and connecting with cultural storytellers or community elders.

What are the twelve tellable tales in the Storytellers Start Up project?

The twelve tellable tales refer to a curated set of twelve classic or culturally significant folktales selected for their richness, diversity, and storytelling potential within the project.

What techniques are recommended for learning and memorizing folktales?

Techniques include breaking the story into parts, using visualization, practicing aloud, recording oneself, and engaging in storytelling workshops or peer practice sessions.

How does performing folktales benefit storytellers and audiences?

Performing folktales helps storytellers develop communication skills and cultural understanding, while audiences gain entertainment, education, and a connection to cultural traditions.

What are some effective methods for using folktales in educational settings?

Folktales can be used to teach moral lessons, cultural history, language skills, and creativity through interactive storytelling, role-playing, and discussion activities.

How can Storytellers Start Up support the preservation of endangered folktales?

The Start Up can document stories, train new storytellers, organize performances, and create digital archives to keep endangered folktales alive and accessible.

What role does cultural sensitivity play in finding and sharing folktales?

Cultural sensitivity ensures respectful representation, avoids appropriation, and honors the origins and meanings of folktales, fostering ethical storytelling practices.

Storytellers Start Up Finding Learning Performing and Using Folktales Including Twelve Tellable Tales

storytellers start up finding learning performing and using folktales including twelve tellable tales has become a notable trend within the cultural entrepreneurship landscape. These ventures, often rooted in preserving oral traditions, are leveraging technology and educational frameworks to rediscover, adapt, and popularize folk narratives for contemporary audiences. As the appetite for authentic storytelling

increases, startups that focus on the curation and performance of folktales provide valuable platforms for cultural transmission, community engagement, and creative expression.

In this article, we explore the dynamics behind these storytelling startups, their strategies for finding and learning folktales, the art of performing them, and how they utilize a specific set of narratives known as the “twelve tellable tales.” We also analyze the implications of these practices on cultural preservation, education, and entertainment industries.

The Rise of Storytelling Startups in Folktale Preservation

The emergence of storytelling startups dedicated to folktales is a response to a growing global interest in intangible cultural heritage. These startups operate at the intersection of tradition and innovation, seeking to revive tales passed down through generations and present them in formats accessible to modern audiences. The term “storytellers start up finding learning performing and using folktales including twelve tellable tales” encapsulates this multifaceted process.

One of the primary challenges these startups face is the discovery phase—finding folktales that are both culturally significant and adaptable for performance. Many companies collaborate with ethnographers, historians, and local communities to authenticate the stories and ensure respectful representation. The twelve tellable tales, often a curated collection of narratives that exemplify universal themes and storytelling techniques, serve as a foundational repertoire for training performers and educators.

Discovering and Learning Folktales

The process of finding folktales involves extensive research and community engagement. Startups utilize oral history projects, archival materials, and field recordings as source material. Learning these tales goes beyond rote memorization; it encompasses understanding the cultural context, symbolism, and narrative structure that define each story's uniqueness.

Educational workshops and digital platforms have become essential tools for storytellers to immerse themselves in the tradition of folktale narration. Many startups offer training modules that focus on voice modulation, audience interaction, and improvisational skills, which are crucial for effective performance.

Performing Folktales: Techniques and Challenges

Performance is where storytelling startups translate research into a living art form. Folktale performance requires mastery of vocal expression, body language, and sometimes music or visual aids to captivate audiences. The twelve tellable tales are often selected for their adaptability to various performance styles and settings—ranging from intimate storytelling circles to large theatrical productions.

However, challenges persist. Maintaining authenticity while appealing to diverse audiences requires a delicate balance. Performers must navigate cultural sensitivities, language barriers, and varying expectations without diluting the essence of the stories. Moreover, the digital age has introduced new platforms such as podcasts and YouTube channels, demanding storytellers to adapt their craft for virtual audiences.

The Twelve Tellable Tales: A Core Repertoire

Central to many storytelling startups is the concept of the “twelve tellable tales.” These are archetypal narratives identified by folklorists as foundational due to their thematic richness and versatility. They often encompass a range of motifs, including trickery, transformation, heroism, and morality, which resonate across cultures.

Some commonly recognized tales within this framework include:

- The Clever Fox
- The Brave Little Tailor
- The Magic Pot
- The Wise Old Woman
- The Enchanted Tree
- The Lost Princess
- The Generous Woodcutter
- The Talking Animals
- The Hidden Treasure
- The Cunning Hare
- The Unseen Helper
- The Journey Home

These stories are favored because they offer clear narrative arcs, memorable characters, and moral lessons that can be tailored for different audiences and age groups. Startups utilize this set as a structured curriculum for training and performance, which also aids in marketing by offering recognizable and engaging content.

Advantages of Using the Twelve Tellable Tales

- **Standardized Learning:** Having a defined collection helps streamline training for new storytellers.
- **Cultural Versatility:** These tales often contain universal themes, allowing for cross-cultural adaptation.
- **Audience Engagement:** Familiar story structures make it easier to connect with listeners.
- **Creative Flexibility:** Performers can experiment with style and presentation while maintaining narrative integrity.

Potential Limitations

While the twelve tellable tales provide a strong foundation, relying solely on them may risk oversimplification or underrepresentation of lesser-known folktales. Startups must therefore strike a balance between popular narratives and the diversity of local traditions to avoid cultural homogenization.

Using Folktales in Modern Contexts

Storytelling startups are not only preserving folktales but also innovatively integrating them into contemporary settings. Education, therapy, and digital media are prominent areas where folktales find new life.

Educational Applications

Folktales are powerful pedagogical tools. Startups collaborate with schools and educational institutions to incorporate storytelling into curricula that enhance literacy, critical thinking, and cultural awareness. The twelve tellable tales often serve as accessible entry points for children and educators unfamiliar with traditional narratives.

Therapeutic and Community Engagement

Narrative therapy leverages storytelling to help individuals process experiences and emotions. Some startups extend their use of folktales into mental health and community-building initiatives, where stories facilitate dialogue and empathy.

Digital Storytelling Platforms

The digital revolution has opened new avenues for folktale dissemination. Startups frequently develop apps, podcasts, and interactive websites where users can listen to, learn, and even co-create stories. The twelve tellable tales are often featured prominently due to their proven appeal.

Comparisons and Market Positioning

Compared to traditional storytelling arts, startups focused on folktale performance emphasize scalability and accessibility. Unlike individual storytellers who rely heavily on live performances, these ventures incorporate multimedia and educational components to broaden reach.

However, they face competition from other forms of digital entertainment and cultural content. Their success often hinges on authenticity, community involvement, and the ability to innovate without

compromising the integrity of the stories.

Pros and Cons of Storytelling Startups Focused on Folktales

1. Pros:

- Preservation of intangible cultural heritage
- Engagement with diverse audiences through multiple platforms
- Educational enrichment and community empowerment
- Flexibility in storytelling formats and performances

2. Cons:

- Challenges in maintaining authenticity at scale
- Risk of cultural appropriation or oversimplification
- Dependence on funding and market demand
- Competition with mainstream media content

The balance between these factors shapes the trajectory of these startups as they seek sustainable business models while honoring cultural legacies.

The growing ecosystem of storytellers start up finding learning performing and using folktales including twelve tellable tales illustrates a vibrant fusion of tradition and innovation. These ventures enrich cultural landscapes by making folk narratives accessible and relevant, ensuring that the timeless art of storytelling continues to thrive in the 21st century.

Storytellers Start Up Finding Learning Performing And Using Folktales Including Twelve Tellable Tales

storytellers start up finding learning performing and using folktales including twelve tellable tales: The Storyteller's Start-up Book Margaret Read MacDonald, 1993 Instruction on how to tell stories. Includes 12 tales from other countries.

storytellers start up finding learning performing and using folktales including twelve tellable tales: The Art of Storytelling Amy E. Spaulding, 2011-02-01 Storytelling is an art, as well as a skill. It allows the listener to take an idea and shape it into something that is relatable on a personal level. In The Art of Storytelling: Telling Truths Through Telling Stories, Amy E. Spaulding enables the reader to learn how to develop this skill, while also discovering the tradition of storytelling. Spaulding covers a wide array of important storytelling elements, from advice on choosing, learning, and presenting the stories to discussions on the importance of storytelling through human history and its continued significance today. This book includes an annotated list of stories, as well as a bibliography of collections and a brief list of recommendations for online sources. Designed for anyone who wants to develop the skill of telling stories, The Art of Storytelling is a resource for drama students, teachers, librarians, and for those learning on their own without a formal class setting.

storytellers start up finding learning performing and using folktales including twelve tellable tales: The Story Biz Handbook Dianne de Las Casas, 2008-09-30 Beginning with wonderful tips and advice about the art and presentation of storytelling, this is a complete resource about how to build a storytelling career. Storytellers come to their careers centered on the stories they love and soon realize that in order to make a living at what they love, they must build a business. This in-depth book tells them just how and what to do in every detail, from choosing a sound system to building a website to using podcasts and setting up an office. Resource lists and tried and true ideas abound as the author shares her marketing and business success story throughout. Each chapter is a story in itself, beginning and ending with different traditional folktale openings and closings. There is even a chapter on how to plan for retirement.

storytellers start up finding learning performing and using folktales including twelve tellable tales: Tell Along Tales! Dianne de Las Casas, 2011-05-05 This book makes the perfect addition to teachers' and librarians' story time selections, containing 25 educational and entertaining tales from around the world as well as proven storytelling techniques. Storytelling predates reading. Storytelling is a vibrant tradition in nearly every culture on earth. And of course, storytelling serves as a perfect medium for educating young children and early readers. Specifically intended for elementary school and public librarians, teachers, storytellers, and camp counselors,

Tell Along Tales!: Playing with Participation Stories contains 25 adapted tales from Czechoslovakia, Germany, Ireland, Korea, Norway, Spain, and West Africa that are appropriate for kindergarten through sixth grade students. These stories are linked to standards and are full of fun audience participation, making them perfect for the library, classroom, camp, or home. The book will illuminate the best methods for telling a tale, describe various types of audience participation and how to encourage it, identify elements in a story that provide opportunity for participation, explain when to include audience participation, and share the author's proven audience management techniques.

storytellers start up finding learning performing and using folktales including twelve tellable tales: Monkey Tales Around the World Terry L. Norton, 2024-12-03 Here are 63 traditional stories from world folklore about our nearest relatives: monkeys and apes. As with many tales about other animals, those about monkeys and apes sometimes reflect what we as humans admire about ourselves. However, the stories more frequently embody features that we dislike. Whether they depict monkeys and apes as annoying or clever pranksters, imitative nuisances and troublemakers, loyal and wise friends, or heroic and noble characters who sacrifice themselves for others, the selections in this anthology about our closest primate kin can tell us much about ourselves and what it means to be human.

storytellers start up finding learning performing and using folktales including twelve tellable tales: The Ultimate Guide for Student Product Development and Evaluation Frances A. Karnes, Kristen R. Stephens, 2000 Introduce your students to the wonderfully creative products found in *The Ultimate Guide for Student Product Development and Evaluation*! This book offers a step-by-step introduction to confidently using creative products in your classroom. The authors offer ideas for integrating products into your existing curriculum, ways to help students plan and create their products, and easy and effective evaluation strategies. The book also offers many strategies for making sure that your students' hard work is noticed by other students, parents, and community members. With descriptions and evaluation criteria for more than 45 creative products, from dioramas to scripts and musical performances, the possibilities for displaying your knowledge and ideas through original products are limitless. Of course, what would *The Ultimate Guide* be without the ultimate student product planner? This reproducible student planner takes your students step-by-step through every phase of the product development process. A sure hit with students who tend to wait until the last minute, the student planner is a perfect cure for the chronic procrastinator. Filled with more than 250 pages of creative product ideas, suggested evaluation methods, and common sense teaching advice, this book promises to bring learning to life in your classroom! Book jacket.

storytellers start up finding learning performing and using folktales including twelve tellable tales: Telling Tales Gail de Vos, Merle Harris, Celia Barker Lottridge, 2003-08-29 Enrich your family life, connect with your children, and celebrate your ancestors by learning to tell family stories, folktales, and nursery rhymes. *Telling Tales: Storytelling in the Family* is a fascinating guide to the art of gathering and telling stories. Written by three renowned storytellers, *Telling Tales*

includes personal stories, how-to tips and extensive resource lists, and builds upon the success of the acclaimed first edition. Introduction by Ruth Stotter

storytellers start up finding learning performing and using folktales including twelve tellable tales: Storytelling with Puppets Connie Champlin, 1998 In this latest revision of *Storytelling With Puppets*, Connie Champlin has polished themes and fine-tuned sections to meet today's ever-changing programming environment, paying special attention to literature-based instruction and multicultural themes.

storytellers start up finding learning performing and using folktales including twelve tellable tales: Storytelling Josepha Sherman, 2015-03-26 Storytelling is an ancient practice known in all civilizations throughout history. Characters, tales, techniques, oral traditions, motifs, and tale types transcend individual cultures - elements and names change, but the stories are remarkably similar with each rendition, highlighting the values and concerns of the host culture. Examining the stories and the oral traditions associated with different cultures offers a unique view of practices and traditions. *Storytelling: An Encyclopedia of Mythology and Folklore* brings past and present cultures of the world to life through their stories, oral traditions, and performance styles. It combines folklore and mythology, traditional arts, history, literature, and festivals to present an overview of world cultures through their liveliest and most fascinating mode of expression. This appealing resource includes specific storytelling techniques as well as retellings of stories from various cultures and traditions.

storytellers start up finding learning performing and using folktales including twelve tellable tales: *The Story Factor* Annette Simmons, 2009-03-17 This modern classic teaches you to use the art of storytelling to persuade, motivate, and inspire in life and business. Anyone seeking to influence others must first know their own story, and how to tell it properly. Whether you're proposing a risky new venture, trying to close a deal, or leading a charge against injustice, you have a story to tell. Tell it well and you will create a shared experience with your listeners that can have profound results. In this modern classic, Annette Simmons reminds us that the oldest tool of influence is also the most powerful. Showcasing over a hundred examples of effective storytelling drawn from the front lines of business and government, as well as myths, fables, and parables from around the world, Simmons illustrates how story can be used to persuade, motivate, and inspire in ways that cold facts, bullet points, and directives can't. These stories, combined with practical storytelling techniques, show anyone how to become a more effective communicator and achieve their goals.

storytellers start up finding learning performing and using folktales including twelve tellable tales: *The Healing Heart for Communities* Allison Cox, David Albert, 2009-03-01 The only book of its kind that demonstrates the power of storytelling to heal.

storytellers start up finding learning performing and using folktales including twelve tellable tales: The Healing Heart—Families Allison M. Cox, David H. Albert, 2009-03-01 Stories and narratives aimed at helping families work through an array of subjects like health, illness, grief, adoption, sexual identity, and school. *The Healing Heart* provides powerful examples of the use of stories and storytelling in encouraging resiliency, empathy, respect, and healing. These engaging books contain stories, and narratives about the use of the stories in activities with different populations (children, teens, those with disabilities, seniors, inmates, etc.) or which address specific social or community problems (addictions, poverty, violence, racism, environmental degradation, homelessness, abuse). The books are a collective effort containing the expertise of more than 60 storytellers and health professionals who illustrate the power of story in moving others to commitment and action, in building self-esteem and mutual respect. *The Healing Heart ~ Families* focuses on families, dealing specifically with healing through story, health promotion, disease prevention, early childhood intervention, children with medical problems, adopting families, schools, sexual identities, grief, and spiritual healing. *The Healing Heart ~ Communities* focuses on community-building, with sections on youth, violence prevention, poverty, domestic violence, substance abuse and addiction, racism, elders, culture, environmental protection, homelessness, and

community development. Praise for *The Healing Heart ~ Families* “Both children and adults, sick or well, need the embrace of soulful storytelling. They need to witness and be witnessed, for it is in this state that healing occurs If newscasters were to read aloud each night to their listeners for 1,001 nights one of the stories from this treasury, we would all be healed and lose our fear, recapturing real security in our homeland.” —N. Michael Murphy, MD, author of *The Wisdom of Dying* “An extraordinary work Hit the bulls eye by providing both process and practice. Thought provoking and insightful theory is intertwined with appropriate stories for direct application. It makes clear that story can be a powerful catalyst for change, giving eloquent voice to what many of us have known for some time but have been unable to express. What a gift for those who work with families!” —Elizabeth Ellis, co-author of *Inviting the Wolf In: Thinking about Difficult Stories*

storytellers start up finding learning performing and using folktales including twelve tellable tales: Language Arts Pamela J. Farris, Donna E. Werderich, 2019-01-08 From the first edition to the latest, *Language Arts: Process, Product and Assessment for Diverse Classrooms* has presented sound language arts theory and methodology in a nonthreatening, straightforward manner at a reasonable price. Coverage focuses on the 2017 Standards for Literacy Professionals. Each chapter identifies and addresses the standards applicable to that chapter’s topics. Farris and Werderich infuse their foundational guidelines with the latest research, teaching practices, and assessment and evaluation techniques. Ideas for lesson plans, use of technological applications, internet resources, and comprehensive, up-to-date listings of children’s, young adult, and multicultural fiction and nonfiction titles are among the text’s outstanding features. Other features geared expressly for pre- and inservice teachers include: • Engaging, real-life classroom anecdotes • Instructional activities for reading, writing, listening, speaking, viewing, and visually representing • Boxes containing teaching hints and mini lessons • Section on Response to Intervention (RtI) with the various tiers of intervention • Theories, instruction, and teaching activities for English language learners (ELLs) • Guidelines to meet the needs of special needs learners • Suggestions for literacy-based interdisciplinary instruction (including STEM and STEAM) • Examples of children’s work to help readers understand what to expect from different ages and ability levels • Questions and assignments to strengthen readers’ aptitude, awareness, and application of topics to real life

storytellers start up finding learning performing and using folktales including twelve tellable tales: Cherokee Myths and Legends Terry L. Norton, 2014-11-19 Retelling 30 myths and legends of the Eastern Cherokee, this book presents the stories with important details providing a culturally authentic and historically accurate context. Background information is given within each story so the reader may avoid reliance on glossaries, endnotes, or other explanatory aids. The reader may thus experience the stories more as their original audiences would have. This approach to adapting traditional literature derives from ideas found in reader-response and translation theory and from research in cognitive psychology and sociolinguistics.

storytellers start up finding learning performing and using folktales including twelve tellable tales: Trickster Tales of Southeastern Native Americans Terry L. Norton, 2023-06-08 An agent of chaos and deceit, the trickster has been a favorite character spanning thousands of years and multiple peoples. From legends belonging to Native Americans such as the Creek, Natchez, Seminole and Catawba, to tales borrowed from Africa and Europe, this work discusses 73 trickster tales. Beginning with Creek tales, this book continues with a blend of Native American and African American folktales, organized according to the indigenous people who told them. These stories include the American Southeast's most notorious trickster, Rabbit; his gullible victims such as Alligator, Wildcat and Wolf; and other tricksters such as Buzzard, Pig, Possum and more.

storytellers start up finding learning performing and using folktales including twelve tellable tales: Story Programs Carolyn Sue Peterson, Ann D. Fenton, 2000 Provides suggestions for age-appropriate books, other printed resources, and activity materials that may be used in story programs; arranged by age group, including twos and threes, preschoolers, and primary level children ages six through eight.
