redeeming love by francine rivers: The Hebrew Bible in Contemporary Fiction and Poetry Lena-Sofia Tiemeyer, 2025-03-31 This book discusses 20th- and 21st-centuries' literary retellings of biblical texts, focusing on how fiction and poetry fill the extant narrative gaps present in the often-sparse biblical accounts and align the narratives with theological and/or cultural expectations of modern interpreting communities. The chapters, written by an international group of scholars, explore biblical retellings in a variety of modern languages, ranging from Korean and Chinese to Hebrew and Arabic. Most of the contributions deal with retellings of the narrative books (Genesis, Exodus, Judges, Ruth, 1-2 Samuel, Daniel), but a few are devoted to prophetic (Hosea) and poetic (Psalms) ones. Another set of articles looks beyond specific biblical books and instead analyses how the Bible has been retold in different literary genres (Children and YA literature, sci-fi and fantasy, Christian Inspiration fiction) and in modern political discourse (North and South Korea). All the chapters further highlight how literary retellings of the Bible form two-way movements. They reveal the often-subversive quality of literary retellings: retellings not only emphasise those nuances in the biblical texts that create unease but also problematise their standpoint and question their moral and theological message. *The Hebrew Bible in Contemporary Fiction and Poetry* is suitable for students and scholars of biblical studies working on intertextuality and reception history. It is also of interest to those working on comparative literature, particularly with regards to the Hebrew Bible in

popular culture and literature.

When we have a choice between studying the Bible and reading novels, downloading movies, or watching television, we become less familiar with Numbers than with Narnia. This book examines popular Christian narratives with rigorous scholarly methods and assumes that they are just as complex, fascinating, and worthy of investigation as the latest secular Netflix series or dystopian novel. While most scholars focus on the religious aspects of Christian texts, this study takes a new approach by analyzing their social responsibility in portraying the complex dynamics of race, class, and gender in a profoundly unequal America. Close readings of six case studies—*The Chronicles of Narnia*, Francine Rivers's *Redeeming Love*, Jan Karon's Mitford novels, *Left Behind*, the films of the Sherwood Baptist Church, and *Duck Dynasty*—uncover both harmful stereotypes and Christians serving as leaders in social justice.

redeeming love by francine rivers: And the Shofar Blew Francine Rivers, 2013-05-31 A relevant and timely novel by the New York Times bestselling author of Redeeming Love and The Masterpiece. He seemed like the perfect pastor to lead Centerville Christian Church. She was the perfect pastor's wife. When Paul Hudson accepted the call to pastor the struggling church, he had no idea what to expect. But it didn't take long for Paul to turn Centerville Christian Church around. Attendance was up-way up. Everything was going so well. If only his wife could see it that way. Still, he tried not to let her quiet presence disturb him. She knew something wasn't right, and it hadn't been for a long time. . . . Eunice closed the bedroom door quietly and knelt beside her bed. “I'm drowning, God. I've never felt so alone. Who can I turn to but you, Lord? Where else does a pastor's wife go for help when her marriage is failing and her life is out of control? Who can I trust with my anguish, Lord? Who but you?” Grasping her pillow, she pressed it tightly to her mouth so that her sobs would not be heard. “This book is a powerful and almost-prophetic statement of the church in America. . . . And the Shofar Blew is a must-read.” —Anne Graham Lotz, bestselling author and speaker “[Rivers] as usual turns in a strong narrative, posing issues that ring loud and clear.” —Booklist “Meticulously plotted, Francine Rivers's new masterpiece, And the Shofar Blew, brims with unforgettable characters.” —Romantic Times Also available in The Francine Rivers Contemporary Collection (e-book only).
