business communication essentials 4th edition: Leadership in Healthcare: Essential Values and Skills, Fourth Edition Carson F. Dye, 2023-01-06 Leadership in Healthcare examines leadership through the lens of values and explores how they play a major role in leaders' effective performance. Author Carson Dye shares the key values that influence a leader's behaviors, priorities, thought processes, and actions. Dye also offers guidance for assessing team values and effectiveness at all career stages. The book is divided into five parts: Leadership in Healthcare, Personal Values, Team Values, Evaluation, and Additional Perspectives on Leadership. New content includes chapters on inclusivity, the role of physicians, and the role of leaders in supporting workers. In addition, a new chapter looks at the impact of the COVID-19 pandemic on leadership and the special challenges healthcare leaders have faced—and continue to face—in a very different healthcare environment. The book's special features include opening vignettes reflecting on workplace situations; sidebars, cases, and exercises to support discussions and stimulate reader response; and additional readings that provide an expanded understanding of chapter content. In addition, the book's appendices share tools for evaluating leaders and teams and driving self evaluation.

business communication essentials 4th edition: Global Corporate Finance: A Focused Approach (Fourth Edition) Suk Hi Kim, 2023-11-02 Global Corporate Finance: A Focused Approach, 4th edition (GCF4) introduces students and practitioners to the principles that are essential to the understanding of global financial problems and the policies that global business managers contend with. The objective of this book is to equip current and future business leaders with the tools they need to interpret the issues, to make sound global financial decisions, and to manage the wide variety of risks that modern businesses face in a competitive global environment. In line with its objective, the book stresses practical applications in a concise and straightforward manner, without complex treatment of theoretical concepts. All the chapters in the 4th edition have been updated to include new materials, eliminate unnecessary-outdated materials, and include more non-US materials. Each chapter contains the following four new items: an opening mini case, a global finance in practice, a list of key terms at the end of each chapter, and a closing mini case. The GCF4 is suitable for appropriate courses, no matter where in the world it is taught, because it does not adopt any specific national viewpoint. Moreover, it is self-contained, and it combines theory and applications. The earlier editions of the GCF4 have been adopted by many colleges, universities, and management development programs worldwide, particularly because the book stresses practical applications in a user-friendly format. Supplementary materials are available to instructors who adopt this textbook. These include:
