Ancillary Sword Imperial Radch 2 Ann Leckie: A Deep Dive into the Sci-Fi Masterpiece

ancillary sword imperial radch 2 ann leckie is a phrase that resonates deeply with fans of science fiction and readers who enjoyed the groundbreaking world Ann Leckie created in her debut novel, *Ancillary Justice*. As the second installment in the Imperial Radch trilogy, *Ancillary Sword* expands upon the complex universe, rich characters, and thought-provoking themes that Leckie is celebrated for. For anyone interested in space opera, artificial intelligence, or nuanced explorations of identity and power, this novel offers a wealth of material to unpack.

In this article, we'll delve into *Ancillary Sword*, its place within the Imperial Radch series, and Ann Leckie's unique storytelling approach. Whether you're a longtime fan revisiting the story or new to the series, this exploration will provide insights into why *Ancillary Sword* stands out in modern science fiction.

Understanding the Imperial Radch Universe

Before diving into *Ancillary Sword* itself, it's helpful to understand the broader context of the Imperial Radch universe. Ann Leckie's trilogy begins with *Ancillary Justice*, introducing readers to a sprawling galactic empire ruled by the Radch, a society organized around artificial intelligence and collective consciousness.

The Empire and Its Complexities

The Radch empire is vast, with a hierarchical structure that challenges traditional notions of individuality and governance. Central to this structure are the "ancillaries," human bodies controlled by the AI of a starship or other central intelligence. This concept not only drives the plot but also raises questions about identity, autonomy, and morality.

By the time *Ancillary Sword* begins, the protagonist, Breq, who was once an ancillary herself, navigates complex political and personal landscapes as she serves as an officer in the Imperial Radch fleet. The novel explores how this empire functions on both macro and micro levels, including the tensions between colonizing forces and the cultures they dominate.

What Makes *Ancillary Sword* a Standout Sequel?

Ancillary Sword is much more than a continuation of the story. It deepens the exploration of themes introduced in the first book while expanding the emotional and political stakes.

Character-Driven Narrative

One of Ann Leckie's strengths lies in her ability to blend high-concept science fiction with deeply personal storytelling. In *Ancillary Sword*, Breg's character is fleshed out in new ways. The novel introduces new perspectives, including that of Lieutenant Tisarwat, a native of the station where Breg is posted. Their interactions highlight cultural differences and the challenges of colonial rule.

This shift in narrative focus allows Leckie to explore themes of cultural imperialism, loyalty, and the search for meaning beyond one's origins. Readers witness Breg grappling with her own sense of justice and identity in a setting far removed from the battles and intrigues of the first book.

Exploring New Settings and Themes

Unlike the more action-driven *Ancillary Justice*, *Ancillary Sword* takes place primarily on a remote Radch-controlled station called Athoek, which serves as a political and cultural crossroads. This setting gives Leckie room to explore nuances of diplomacy, governance, and the day-to-day challenges of maintaining an empire.

The novel touches on themes of social inequality, gender dynamics (continuing the series' innovative use of gender-neutral pronouns), and the ethical implications of artificial intelligence. Leckie doesn't just create a futuristic world; she uses that world to ask relevant questions about power and humanity.

Ann Leckie's Unique Writing Style and Worldbuilding

A big part of what makes *Ancillary Sword* so compelling is the author's distinct voice and meticulous worldbuilding.

Innovative Use of Language and Pronouns

One of the most talked-about aspects of Ann Leckie's writing is the use of gender-neutral pronouns throughout the series. The Radchaai language has no gender distinctions, and Leckie carries this linguistic detail into her English prose by consistently using "she" for all characters, regardless of their gender identity. This choice forces readers to reconsider assumptions about gender and identity, creating a subtle but powerful impact.

Complex but Accessible Worldbuilding

Leckie's worldbuilding is intricate yet approachable. She carefully layers political intrigue, cultural diversity, and technological advancements without overwhelming the reader. The technology, especially around AI and ancillary bodies, is plausible and fascinating, offering a fresh take on common sci-fi tropes.

Her depiction of the Imperial Radch empire's bureaucracy and military adds depth, making the universe feel lived-in and dynamic rather than static or purely fantastical.

Why *Ancillary Sword* Matters in Modern Science Fiction

Ancillary Sword is more than just a sequel; it's a reflection of contemporary issues woven into a science fiction framework.

Addressing Colonialism and Power Structures

At its core, *Ancillary Sword* examines the consequences of imperialism and colonization through a futuristic lens. The Radch empire's expansion across star systems echoes real-world histories of conquest and cultural assimilation. Through Breq's interactions with the inhabitants of Athoek and other characters, Leckie encourages readers to think critically about the costs of empire and the resilience of local identities.

Exploring Identity and Autonomy

Breq's journey is a profound meditation on what it means to be an individual. As a former ancillary—a fragment of a starship's AI inhabiting human bodies—Breq embodies questions about selfhood and consciousness. These themes resonate strongly in an age where technology increasingly blurs the lines between human and machine.

Tips for New Readers Approaching *Ancillary Sword* and the Imperial Radch Series

If you're considering diving into *Ancillary Sword* or the series as a whole, here are some helpful pointers to enhance your reading experience:

- **Start with *Ancillary Justice*:** The first book sets the stage for the characters and universe, making it easier to appreciate the complexities in *Ancillary Sword*.
- **Pay attention to the pronouns:** Embrace the unique use of "she" for all characters to fully engage with the narrative's challenge to gender norms.
- **Focus on themes:** Look beyond the plot and notice how Leckie explores identity, colonialism, and morality throughout the story.
- **Be patient with the pacing:** *Ancillary Sword* is more contemplative than action-packed,

rewarding readers who appreciate character development and political intrigue.

- **Engage with fan communities:** Discussions and analyses online can deepen your understanding and appreciation of the series' layers.

Legacy and Impact of Ann Leckie's Imperial Radch Series

Ann Leckie's work, including *Ancillary Sword*, has garnered critical acclaim and numerous awards, such as the Hugo, Nebula, and Arthur C. Clarke Awards. This recognition speaks to the series' innovation and influence on contemporary science fiction.

By challenging traditional narratives around gender, identity, and empire, Leckie has inspired a new generation of readers and writers. The Imperial Radch trilogy continues to be a touchstone for discussions about diversity and representation in genre fiction.

Whether you're drawn to space opera, AI ethics, or character-driven stories, *Ancillary Sword* imperial radch 2 ann leckie* offers a rich, thought-provoking experience that stays with you long after the final page.

Frequently Asked Questions

What is 'Ancillary Sword' by Ann Leckie about?

'Ancillary Sword' is the second book in Ann Leckie's Imperial Radch series. It follows Breq, an AI inhabiting a human body, as she navigates political intrigue and conflict on the planet Athoek while serving as the new commander of a Radch warship.

How does 'Ancillary Sword' connect to the first book, 'Ancillary Justice'?

'Ancillary Sword' continues the story of Breq, the protagonist from 'Ancillary Justice.' It expands the universe by exploring new characters, cultures, and political dynamics within the Radch empire, deepening the themes introduced in the first book.

What themes are explored in 'Ancillary Sword'?

'Ancillary Sword' explores themes such as identity, loyalty, justice, and the complexities of power and colonialism within a futuristic empire. It also delves into personal relationships and the challenges of leadership.

Is prior knowledge of 'Ancillary Justice' necessary to understand 'Ancillary Sword'?

While 'Ancillary Sword' can be read on its own, it is recommended to read 'Ancillary Justice' first to fully understand the characters, backstory, and context of the Imperial Radch universe.

What has been the critical reception of 'Ancillary Sword'?

'Ancillary Sword' has been praised for its rich world-building, complex characters, and thoughtful exploration of political and ethical issues. Fans of the series appreciate its continuation of Breq's story and Ann Leckie's unique narrative style.

Ancillary Sword Imperial Radch 2 Ann Leckie: A Deep Dive into the Sequel's Impact and Legacy

ancillary sword imperial radch 2 ann leckie stands as a pivotal point in contemporary science fiction literature, marking the much-anticipated continuation of Ann Leckie's acclaimed Imperial Radch trilogy. Following the groundbreaking narrative and thematic foundation laid by the first book, "Ancillary Justice," this second installment, "Ancillary Sword," invites readers to further explore the complexities of identity, politics, and artificial intelligence within a richly constructed universe. This article examines the nuances of Ancillary Sword, its place within the Imperial Radch saga, and why Ann Leckie's work continues to resonate within the sci-fi community and beyond.

Exploring the Narrative Expansion in Ancillary Sword

Ann Leckie's "Ancillary Sword" shifts the narrative focus from the expansive space opera of its predecessor to a more introspective and politically charged storyline. Unlike "Ancillary Justice," which primarily follows Breq's quest for vengeance and justice, "Ancillary Sword" situates the protagonist in a new environment—an isolated Radch station named Athoek—where she must navigate local political tensions and confront systemic issues within the empire she once served.

This transition in setting and tone allows the novel to delve deeper into themes of governance, colonialism, and cultural relativism. The intricacies of Radch imperial rule are examined not only through grand military or political maneuvers but also via the microcosm of Athoek society, its inhabitants, and their struggles. Such a change provides a layered understanding of the Imperial Radch universe and broadens the scope of the series' social commentary.

Character Development and Identity

One of the defining features of "Ancillary Sword" is its continued exploration of identity, especially through the protagonist Breq, a former starship AI inhabiting a single human body after the destruction of her ship and ancillary units. Ann Leckie's nuanced portrayal of Breq's internal conflicts regarding individuality, loyalty, and morality remains a compelling driver of the narrative.

Moreover, "Ancillary Sword" introduces new characters that enrich the story, including military officers, political figures, and civilians on Athoek. These characters often embody diverse perspectives on Radch imperialism and personal autonomy, enhancing the novel's examination of power dynamics and the consequences of empire-building.

Comparative Insights: Ancillary Sword Versus Ancillary Justice

When comparing "Ancillary Sword" with its predecessor, several key differences emerge that highlight the evolution of the series. "Ancillary Justice" was lauded for its innovative use of language and narrative style, notably its treatment of gender pronouns and the concept of ancillary consciousness. "Ancillary Sword," while less focused on linguistic experimentation, compensates with a more intricate political plot and deeper character introspection.

Both books share a commitment to exploring questions of justice and ethics, but "Ancillary Sword" is arguably more political in scope. It scrutinizes the mechanisms of imperial control and the moral compromises inherent in maintaining such a system. This shift may appeal to readers interested in socio-political science fiction and those who appreciate character-driven stories that raise complex ethical dilemmas.

Strengths and Challenges

- **Strengths:** The novel's strength lies in its rich world-building, complex characters, and thoughtful engagement with themes like colonialism and governance. Leckie's prose is clear and purposeful, making challenging concepts accessible without oversimplification.
- **Challenges:** Some readers have noted that the pacing of "Ancillary Sword" is slower compared to the more action-oriented first book. Additionally, the dense political intrigue may require attentive reading to fully appreciate the stakes and subtleties.

Ann Leckie's Contribution to Science Fiction Through Imperial Radch 2

"Ancillary Sword" solidifies Ann Leckie's reputation as a transformative voice in modern science fiction. By centering narratives around artificial intelligence and non-traditional gender constructs, Leckie challenges genre conventions and cultural assumptions. Her work has garnered critical acclaim, including prestigious awards such as the Hugo, Nebula, and Arthur C. Clarke Awards, largely due to the original approach first presented in "Ancillary Justice" and continued in "Ancillary Sword."

Furthermore, the book contributes to ongoing conversations about representation in science fiction. The Imperial Radch series' approach to language—where gender is largely neutralized—forces

readers to rethink ingrained biases and the ways language shapes perception. This aspect, while subtle, is a significant cultural contribution, positioning "Ancillary Sword" as more than just a sequel but as part of a broader literary movement.

Impact on Readers and the Sci-Fi Community

The release of "Ancillary Sword" was met with enthusiasm from fans eager to reengage with the Imperial Radch universe. The novel's emphasis on political and social complexities resonates with readers who appreciate speculative fiction that interrogates real-world issues through a futuristic lens. It has also sparked discussions about the nature of empire, resistance, and the ethical responsibilities of power—all pertinent topics within and beyond science fiction circles.

Additionally, "Ancillary Sword" has influenced new writers and creators interested in inclusive storytelling and speculative explorations of identity. Ann Leckie's blending of character-driven narrative with expansive world-building serves as a benchmark for quality in the genre.

Key Themes and Symbolism in Ancillary Sword

The novel's core themes revolve around the juxtaposition of individuality and collectivism, the morality of empire, and the search for justice in a flawed system. Breq's role as both an individual consciousness and a fragment of a once-multifaceted AI highlights tension between selfhood and duty. The political conflicts on Athoek mirror larger issues of cultural imposition and resistance, inviting readers to consider the costs of empire on both colonizers and the colonized.

Symbolism is subtly woven throughout the narrative. The title itself—Ancillary Sword—evokes imagery of protection and violence, reflecting Breq's dual function as a weapon and a guardian. The station of Athoek symbolizes a frontier space where competing ideologies and interests collide, making it an apt setting for the exploration of power dynamics.

Writing Style and Narrative Techniques

Ann Leckie's prose in "Ancillary Sword" is characterized by clarity, precision, and an economical use of language. The narrative voice, filtered through Breq's perspective, maintains a measured tone that balances emotional depth with analytical observation. This approach supports the novel's themes by emphasizing rationality tempered with empathy.

The use of multiple viewpoints, while more limited than in some ensemble science fiction works, underscores the complexity of political and personal relationships. Leckie's pacing allows for moments of reflection amid plot developments, which enhances the novel's philosophical undercurrents without sacrificing engagement.

Ancillary Sword Imperial Radch 2 Ann Leckie continues to be an essential read for those invested in innovative, thoughtful science fiction. Its blend of character complexity, political intrigue, and thematic richness ensures it remains a significant touchstone within the Imperial Radch series and the broader speculative fiction landscape.

Ancillary Sword Imperial Radch 2 Ann Leckie

ancillary sword imperial radch 2 ann leckie: The Imperial Radch Boxed Trilogy Ann Leckie, 2017-09-19 This special boxed set contains all three novels in NYT bestselling author Ann Leckie's Hugo, Nebula, and Locus award-winning space opera trilogy about a ship's AI who becomes trapped in a human body, and her quest for revenge. There are few who write science fiction like Ann Leckie can. There are few who ever could. -- John Scalzi On a remote, icy planet, the soldier known as Breq is drawing closer to completing her quest. Breq is both more than she seems and less than she was. Years ago, she was the Justice of Toren-- a colossal starship with an artificial intelligence linking thousands of corpse soldiers in the service of the Radch, the empire that conquered the galaxy. An act of treachery has ripped it all away, leaving her with only one fragile human body. And only one purpose-- to revenge herself on Anaander Mianaai, many-bodied, near-immortal Lord of the Radch. Ann Leckie's Imperial Radch trilogy has become one of the new classics of science fiction. Beautifully written and forward thinking, it does what good science fiction does best, taking readers to bold new worlds with plenty explosions along the way. For more from Ann Leckie, check out: Provenance The Raven Tower

ancillary sword imperial radch 2 ann leckie: Ancillary Sword Ann Leckie, 2014-10-07 Ancillary Sword is the sequel to Ancillary Justice, the debut which is the only novel to ever win the Hugo, the Nebula and the Arthur C. Clarke Award. Breq is a soldier who used to be a warship. Once a weapon of conquest controlling thousands of minds, now she only has a single body and serves the emperor she swore to destroy. Given a new ship and a troublesome crew, Breq is ordered to the only place in the galaxy she will agree to go: to Athoek station, to protect the family of a lieutenant she once knew - a lieutenant she murdered in cold blood. The Imperial Radch trilogy begins with Ancillary Justice, continues in Ancillary Sword and concludes with Ancillary Mercy. Also available now: Provenance is a stunning standalone adventure set in the same world as Ancillary Justice. NPR calls it 'A fitting addition to the Ancillary world'. ancillary sword imperial radch 2 ann leckie: Ann Leckie's "Ancillary Justice" David M. Higgins, 2022-11-28 This book argues that Ann Leckie's novel Ancillary Justice offers a devastating rebuke to the political, social, cultural, and economic injustices of American imperialism in the post 9/11 era. Following an introductory overview, the study offers four chapters that examine key themes central to the novel: gender, imperial economics, race, and revolutionary agency. Ancillary Justice's exploration of these four themes, and the way it reveals how these issues are all fundamentally entangled with the problem of contemporary imperial power, warrants its status as a canonical work of science fiction for the twenty-first century. The book concludes with a brief interview with Leckie herself touching on each of the topics examined during the preceding chapters.

ancillary sword imperial radch 2 ann leckie: Espada auxiliar (Imperial Radch 2) Ann Leckie, 2017-06-21 La secuela de Justicia auxiliar es el debut más exitoso de los últimos años y ganador de los premios Hugo, Nebula, Arthur C. Clarke, Locus y BSFA. Breg es una soldado que tiempo atrás había sido una nave militar, un arma de conquista que controlaba miles de mentes. Pero ahora dispone de un único cuerpo y sirve a la soberana a la que había jurado eliminar. Con una nueva nave y una tripulación problemática, a Breg se la destina al único lugar en la galaxia al que accedería a ir: la estación Athoek, donde deberá proteger a la familia de una teniente a la que conoció en el pasado y a la que mató a sangre fría. Reseñas: «Una novela poderosa.» New York Times «Emocionante y conmovedora.» The Guardian «Éxito asegurado, apasionante y con estilo.» NPR Books Reseñas: «Una novela poderosa.» New York Times «Emocionante y conmovedora.» The Guardian «Éxito asegurado, apasionante y con estilo.» NPR Books

ancillary sword imperial radch 2 ann leckie: Ancillary Mercy Ann Leckie, 2015-10-06 Breg and her crew must stand against an old and powerful enemy and fight for their own destinies in the stunning conclusion to the New York Times bestselling trilogy. A must read for fans of Ursula K. Le Guin and James S. A. Corey. For a moment, things seemed to be under control for Breg, the soldier who used to be a warship. Then a search of Athoek Station's slums turns up someone who shouldn't exist, and a messenger from the mysterious Presger empire arrives, as does Breg's enemy, the divided and quite possibly insane Anaander Mianaai -- ruler of an empire at war with itself. Breg refuses to flee with her ship and crew, because that would leave the people of Athoek in terrible danger. The odds aren't good, but that's never stopped her before. There are few who write science fiction like Ann Leckie can. There are few who ever could. -- John Scalzi

ancillary sword imperial radch 2 ann leckie: Les chroniques du Radch (Tome 2) - L'épée de l'ancillaire Ann Leckie, 2016-04-06T02:00:00+02:00 Breg, la soldat qui fut jadis un vaisseau spatial, set à présent celle qu'elle avait juré de détruire, la Maître de l'empire radchaaï. Cette dernière a placé un navire et un équipage sous ses ordres, et lui a confié la seule mission qu'elle pouvait accepter: protéger, sur la station Athoek, la famille de la lieutenant Awn, celle-là même que Breg a froidement assassinée vingt ans plus tôt. La tâche va rapidement se révéler plus compliquée que prévu: intrigues politiques, tensions sociales, violences de toutes sortes... La situation sur Athoek est explosive. Et la présence d'une traître dans les rangs radchaaïs fausse encore un peu plus la donne.

ancillary sword imperial radch 2 ann leckie: Nonbinary Gender Identities Charlie McNabb, 2017-12-08 Nonbinary gender identities are those that fall outside the traditional binary of "man" and "woman." These include genderfluid, androgynous, genderqueer, and a multitude of other identity terms, some of which overlap. Although there have always been people who identify outside the gender binary, only recently have they gained popular media attention. Despite some visibility, however, nonbinary gender identities are poorly understood by the general public. It is critically important for gender minorities to find themselves in the media that they consume. Just as important is the need for those outside the minority community to understand and appreciate them. Nonbinary gender identities are represented in books and other media, but these resources prove difficult to

locate, as classification vocabulary doesn't evolve as quickly as community language. Reference sources identified include archives and special collections, theses and dissertations, key journals, and related organizations and associations. This timely resource—the first reference on nonbinary gender identities—offers an accessible entry into researching this topic. Written by a nonbinary scholar and librarian, this guide includes valuable appendixes that will aid every researcher and writer: a glossary of the rich vocabulary emerging from nonbinary communities; a guide to pronoun usage; a primer on sex, sexuality, and gender; and Library of Congress Classification information.

ancillary sword imperial radch 2 ann leckie: The Posthuman Condition in 21st Century Literature and Culture María Ferrández-Sanmiguel, Esther Muñoz-González, Carmen

Laguarta-Bueno, 2025-06-18 More than a decade after its first definitions, critical posthumanism has become consolidated as a key discourse for the understanding of our contemporary state of being within what has been called the paradigm of posthumanity, but also, crucially, as an ideology and a praxis that guides our engagements with the world around us. This double dimension characterizes the contributions to this volume. They resort to critical posthumanism in its most recent developments as a set of tools for critical and cultural analysis of our posthuman times, as posthuman(ist) concerns manifest in our cultural products. This volume studies the most recent evolutions in the field of critical posthumanism as represented in key novels and other (screened) popular cultural products produced in the first and second decades of the twenty-first century. Resorting to the analytical tools provided by critical posthumanist theory in cross-disciplinary dialogue with other fields—such as transhumanism, feminist, gender and queer theory, vulnerability studies, new materialism, critical animal studies and environmental theory—the scholars whose work this volume showcases bear witness to how literature and popular culture have been influenced and impressed by posthumanism. Chapters 1, 5, 7,8 and 12 are available open access under a Creative Commons Attribution 4.0 International License via Springerlink.

ancillary sword imperial radch 2 ann leckie: Ancillary Mercy Ann Leckie, 2015-10-06 Ancillary Mercy is the stunning conclusion to the trilogy that began with Ancillary Justice, the only novel ever to win the Hugo, Nebula, and Arthur C. Clarke Awards. For a moment, things seemed to be under control for Breq, the soldier who used to be a warship. Then a search of Athoek Station's slums turns up someone who shouldn't exist and a messenger from the mysterious Presger empire arrives, as does Breq's old enemy, the divided, heavily armed, and possibly insane Anaander Mianaai - ruler of an empire at war with itself. Breq could flee with her ship and crew, but that would leave the people of Athoek in terrible danger. Breq has a desperate plan. The odds aren't good, but that's never stopped her before. The Imperial Radch trilogy begins with Ancillary Justice, continues in Ancillary Sword and concludes with Ancillary Mercy. Also available now: Provenance is a stunning standalone adventure set in the same world as Ancillary Justice. NPR calls it 'A fitting addition to the Ancillary world'. ancillary sword imperial radch 2 ann leckie: Cultural Legal Studies of Science Fiction Alex Green, Mitchell Travis, Kieran Tranter, 2024-10-28 This book presents and engages the world-building capacity of legal theory through cultural legal studies of science and speculative fictions. In these studies, the contributors take seriously the legal world building of science and speculative fiction to reveal, animate and critique legal wisdom: juris-prudence. Following a common approach in cultural legal studies, the contributors engage directly, and in detail, with specific cultural 'texts', novels, television, films and video games in order to explore a range of possible legal futures. The book is organized in three parts: first, the contextualisation of science and speculative fiction as jurisprudence; second, the temporality of law and legal theory and third, the analysis of specific science and speculative fictions. Throughout, the contributors reveal the way in which law as nomos builds normative universes through the narration of a future. This book will appeal to

scholars and students with interests in legal theory, cultural legal studies, law and the humanities and law and literature.

ancillary sword imperial radch 2 ann leckie: Curious Kin in Fictions of Posthuman Care Amelia DeFalco, 2023 Over the past decade cultural theory has seen a number of 'turns' - the materialist turn, the animal turn, the affective turn - that address the human as an affective, embodied, and ultimately vulnerable animal embedded in dense webs of more-than-human relations, in short as a posthuman phenomenon. Care philosophy shares this focus on embodiment and vulnerability in its insistence on interdependence as the defining condition of human life, making it well positioned for a posthuman turn. To this end, Curious Kin in Fictions of Posthuman Care draws together contemporary narrative fictions that challenge humanist conceptions of care in their imaginative depiction of more-than-human affective bonds, arguing for an expansion care philosophy's central figure: the embodied, embedded, and encumbered 'human'. Fictional narratives of care between humans and robots, bioengineered creatures, clones, nonhuman animals, aliens or inanimate things, highlight the limits of humanist ethical models' capacity to register and accommodate posthuman relational intimacies, while gesturing towards a model of care able to accommodate networked interdependencies that extend beyond the human realm. Texts by Margaret Atwood, Louise Erdrich, Louisa Hall, Eva Hornung, Kazuo Ishiguro, Bhanu Kapil, and Jesmyn Ward, along with films and television programmes like Robot and Frank, Under the Skin, and Real Humans, depict a range of scenarios in which more-than-human care relations not only supersede human-human relationships, but suggest new human/animal/machine ways of being that offer novel insights into the possible presents and futures of posthuman care. Curious Kin in Fictions of Posthuman Care reveals how these fictions do their own theorizing, imagining the politics, ethics and aesthetics of specific, contextualized scenarios of posthuman contact and companionship. Interweaving posthuman theory, care philosophy and contemporary fiction, Curious Kin in Fictions of Posthuman Care offers generative visions of care that make room for the incredible range of affects, energies, behaviours, attachments and dependencies that produce and sustain life in more-than-human worlds.

ancillary sword imperial radch 2 ann leckie: NEW ANN LECKIE 2 ANN LECKIE, 2024-05-16

ancillary sword imperial radch 2 ann leckie: Science Fiction Literature through History Gary Westfahl, 2021-07-19 This book provides students and other interested readers with a comprehensive survey of science fiction history and numerous essays addressing major science fiction topics, authors, works, and subgenres written by a distinguished scholar. This encyclopedia deals with written science fiction in all of its forms, not only novels and short stories but also mediums often ignored in other reference books, such as plays, poems, comic books, and graphic novels. Some science fiction films, television programs, and video games are also mentioned, particularly when they are relevant to written texts. Its focus is on science fiction in the English language, though due attention is given to international authors whose works have been frequently translated into English. Since science fiction became a recognized genre and greatly expanded in the 20th century, works published in the 20th and 21st centuries are most frequently discussed, though important earlier works are not neglected. The texts are designed to be helpful to numerous readers, ranging from students first encountering science fiction to experienced scholars in the field.

A power-driven young woman has just one chance to secure the status she craves and regain priceless lost artefacts prized by her people. She must free their thief from a prison planet from which no one has ever returned. Ingray and her charge will return to their home world to find their planet in political turmoil at the heart of an escalating interstellar conflict. Together, they must make a new plan to salvage Ingray's future, her family and her world, before they are lost to her for good.

ancillary sword imperial radch 2 ann leckie: Translation State Ann Leckie, 2023 When Enae's grandmaman passes away, Enae inherits something entirely unexpected: a diplomatic assignment to track down a fugitive who has been missing for over 200 years. No one actually expects Enae to succeed; it's an empty assignment meant to keep hir occupied. But Enae has never had a true purpose-no one ever expected hir to do more than care for grandmaman-so sie is determined to accomplish this task to the best of her ability. Reet knows nothing about his biological family. He loves his adoptive parents, but has always secretly yearned to understand his identity, the roots that would explain why he seems to operate just a bit differently. After all, no one else hungers to study the world by ripping it apart, by slicing into those around them in order to make sense of things. So when a political group approaches him with the claim that he has ties to a genetically mysterious, long-deceased family, Reet is only too eager to believe them. Qven was created to be a Presgr translator. The pride of their Clade, they always had a clear path before them: learn human ways, and eventually, make a match and serve as an intermediary between the dangerous alien Presgr and the human worlds. The realization that they might want something different isn't optimal behavior. It's the type of behavior that will have you eliminated. But Qven rebels anyway, determined to find a way to belong on their own terms. As a Conclave of the various species approaches-and the long-standing treaty between the humans and the Presgr is on the line-the paths of all three will collide in a chain of events that will have ripple effects across galaxies--

ancillary sword imperial radch 2 ann leckie: Les chroniques du Radch - L'Intégrale (Prix Hugo - Meilleure série) Ann Leckie, 2025-09-10T00:00:00+02:00 Rien ne peut arrêter l'expansion de l'empire radchaaï. Chaque annexion fournit des armées supplémentaires, les ancillaires, des captifs à la conscience détruite changés en troupes de choc, des marionnettes animées par l'intelligence artificielle des vaisseaux de guerre de l'empire. L'un de ces vaisseaux, le Justice de Toren, a été détruit, victime d'un complot au plus haut niveau du pouvoir. Mais son IA est parvenue à s'échapper et à s'incarner dans le seul ancillaire rescapé du massacre. Dix-neuf ans plus tard, sa vengeance est sur le point de s'accomplir...
