Bin Laden himself considered media manipulation on a par with military, political, and ideological tools, and intentionally used interviews, taped speeches, and distributed statements to further al-Qaida's ends. In *Covering Bin Laden*, editors Susan Jeffords and Fahed Yahya Al-Sumait collect perspectives from global scholars exploring a startling premise: that media depictions of Bin Laden not only diverge but often contradict each other, depending on the media provider and format, the place in which the depiction is presented, and the viewer's political and cultural background. The contributors analyze the representations of the many Bin Ladens, ranging from Al Jazeera broadcasts to video games. They examine the media's dominant role in shaping our understanding of terrorists and why/how they should be feared, and they engage with the ways the mosaic of Bin Laden images and narratives have influenced policies and actions around the world. diary of a lost girl the autobiography of kola boof: *Feminists Need Dick Too!* Kola Boof, 2021-04-07 Critically acclaimed yet embattled novelist KOLA BOOF (*The Sexy Part of the Bible*, *Diary of a Lost Girl*, *Flesh and the Devil*) tells us how she really feels in this brutally honest deeply personal Black Girl sex memoir that bravely exposes the differences between African Feminism, Black Womanism and White American Feminism. Ultimately the book is a manifesto appealing to all women of any race, any sexuality and even includes legitimate representation of Transwomen. Ms. Boof starts with the question: What if I had a daughter? What would I tell her about being a Woman and surviving in this world? After being married to two millionaires (one Black, one White) and dating quite the list of male celebrities (Boof tries to downplay her history with Osama Bin Laden, however); Kola Boof definitely sounds like an expert on these matters and is one of the most entertaining wisdom-sharing public figures in literature today. It's a shame that corporate smear campaigns targeted at Boof after the Bin Laden scandal, Xenophobia and Ms. Boof's personal beef with U.S. White Media has relegated her to being something of an underground sensation. Truly, her level of talent and intellect deserves more attention. It's impossible to agree with everything Boof writes here. I have a few bones to pick with her. But her penchant for making us talk about topics we ordinarily wouldn't dare debate in public has become legendary. *Feminists Need Dick Too!* Strikes me as both the perfect beach read for young thinking women and confirmation for much older Black women that they were right about certain things all along. Men who are secure within themselves will love and enjoy the book as well.
