All across America, a storm is gathering: from book bans in school libraries to anti-trans laws in state legislatures; firebombings of abortion clinics and protests against gay rights. The Christian Right, a cunning political force in America for more than half a century, has never been more powerful than it is right now—it propelled Donald Trump to power, and it won't stop until it's refashioned America in its own image. In *Wild Faith*, critically acclaimed author Talia Lavin goes deep into what motivates the Christian Right, from its segregationist past to a future riddled with apocalyptic ideology. Using primary sources and firsthand accounts, Lavin introduces you to "deliverance ministers" who carry out exorcisms by the hundreds; modern-day, self-proclaimed prophets and apostles; Christian militias, cults, zealots, and showmen; and the people in power who are aiding them to achieve their goals. Along the way, she explores anti-abortion terrorists, the Christian Patriarchy movement, with its desire to place all women under absolute male control; the twisted theology that leads to rampant child abuse; and the ways conspiracy theorists and extremist Christians influence each other to mutual political benefit. From school boards to the Supreme Court, Christian theocracy is ascendant in America—and only through exploring its motivations and impacts can we understand the crisis we face. In *Wild Faith*, Lavin fearlessly confronts whether our democracy can survive an organized, fervent theocratic movement, one that seeks to impose its religious beliefs on American citizens.

With the questions that are being raised and will continue to be raised, many may begin to wonder if the Left Behind theology is really biblical. Some of the impact of the series could be undermined. This book would set forth substantive biblical points in favor of the various end times events presented in the series.

mark hitchcock faith bible church: The Book of Revelation Don Hattaway, 2024-10-22 "Dr. Don Hattaway, successful pastor and biblical scholar, has faithfully communicated God's Word with clarity and conviction, first from the pulpit and now from the pen. His heart, mind, and spirit are powerfully inscribed on every page of the volume you hold in your hands. Every Christian needs to study this commentary carefully in order to live victoriously today and to be better equipped to help our faltering culture know what's next on God's time clock."—Dr. Gerald Harris, former editor of the Christian Index, the nation's oldest continuously published religious newspaper "Pastor Hattaway has given us a book on the Revelation that is biblically sound and scholarly. He writes not only from the viewpoint of a careful Bible student but with the clarity and practicality of a faithful pastor."—Dr. Jerry Vines, Pastor Emeritus, First Baptist Church, Jacksonville, Florida; 2-time president, Southern Baptist Convention "With the insight of a seasoned pastor, the understanding of a scholar, and the skill of an expositor, Dr. Hattaway's diligent preparation of this volume has created an outstanding resource for pastors, Bible teachers, and other students of the Word of God. For everyone who seeks clarity in reading Revelation, I highly recommend this book. My understanding of Revelation has been deepened. I am confident you will be equally blessed."—Dr. J. Robert White, former executive director of the Georgia Baptist Mission Board

mark hitchcock faith bible church: End Times Answers Jimmy Evans, 2023-09-12 How can you know what will happen if it hasn't happened yet? People have burning questions about the end times. They want to know what, when, and how...and they want to know it now. Jimmy Evans discusses the most frequently-asked questions from his weekly Tipping Point podcast, including: How significant are current events? How can people know they are truly saved? Will I know my family in eternity? What are the Tribulation and the Millennium? What needs to happen before Jesus returns? Anyone can understand End Times prophecy.

mark hitchcock faith bible church: The Appointed Time Zachary D. Ball, 2024-07-23 The book of Daniel is a difficult study for even the eager Bible student, but its importance to the evangelical church is indisputable, especially regarding eschatology. Many times, its content is randomly selected to formulate man-made narratives about the end-times that create confusion and misinformation in the church. How to read Daniel is essential for understanding its theological power, especially its predictive prophecy. This project will demonstrate its past fulfillments, its influence on Jesus' first century attempts to save Israel, and how it has been manipulated to assert false eschatological predictions. Understanding Daniel's appointed time is crucial to its message.
