

# killing is my business

**\*\*Killing Is My Business: Exploring the Impact and Legacy of a Metal Classic\*\***

**killing is my business** is more than just a phrase; it's a declaration that has resonated deeply within the heavy metal community for decades. Originating as the title of Megadeth's debut album, it marks an important milestone in the thrash metal genre and reflects a raw, unfiltered energy that helped define a generation of metal fans. In this article, we're going to dive into what makes "Killing Is My Business" such an iconic work, explore its historical context, musicality, and lasting influence, and shed light on why it continues to be relevant today.

## The Origins of "Killing Is My Business"

The phrase "killing is my business" first emerged prominently with Megadeth's 1985 debut album, *\*Killing Is My Business... and Business Is Good!\**. Formed by Dave Mustaine after his departure from Metallica, Megadeth sought to carve out their own niche in the burgeoning thrash metal scene. The album was raw, aggressive, and fast-paced, perfectly capturing the angst and rebellion of the mid-1980s metal underground.

## The Thrash Metal Movement

Thrash metal was characterized by its speed, precision, and intensity, often featuring lyrics that tackled themes of war, politics, and social upheaval. "Killing is my business" fit perfectly into this landscape, embodying the aggressive and confrontational style that fans craved. The album pushed the envelope with intricate guitar work, rapid-fire drumming, and Mustaine's distinctive vocals, setting a high bar for future thrash bands.

## Dave Mustaine's Vision

Mustaine's songwriting on *\*Killing Is My Business... and Business Is Good!\** was notable for its sharp riffs and storytelling. The title track, in particular, encapsulated the band's aggressive approach and dark humor, creating a persona that was both menacing and captivating. Mustaine's personal experiences and frustrations gave the album an authenticity that resonated deeply with listeners.

## Analyzing the Musical Elements of "Killing Is My Business"

What makes "Killing is my business" more than just a catchy phrase is the way it's brought to life through music. The album is a masterclass in thrash metal composition, balancing

technical skill with raw emotion.

## **Riffing and Guitar Work**

The riffs on the album are fast, complex, and memorable. Mustaine's guitar style combines precision with aggression, using fast alternate picking and palm-muted chugging to create a dense, intense soundscape. Songs like the title track showcase intricate guitar solos that require both speed and dexterity, highlighting the musicianship that helped define the genre.

## **Rhythm and Drumming**

The drumming throughout the album complements the guitar work perfectly. The use of rapid double bass pedals and tight snare hits drives the energy forward, giving the music a relentless pace. This rhythm section is crucial in maintaining the momentum that thrash metal demands, and it's a key reason why the album feels so dynamic and powerful.

## **Vocals and Lyrics**

Mustaine's vocal delivery is distinctive—gritty and forceful, yet clear enough to convey the narrative elements of the songs. The lyrics often explore themes of violence, war, and personal struggle, fitting well with the overall tone. The storytelling aspect of the lyrics adds depth, inviting listeners to engage with the songs on more than just a sonic level.

## **Legacy and Influence of "Killing Is My Business"**

The impact of \*Killing Is My Business... and Business Is Good!\* extends far beyond its initial release. It helped cement Megadeth's place in metal history and influenced countless bands in the thrash and metal scenes.

## **Shaping the Thrash Metal Genre**

The album's aggressive style and technical proficiency set a benchmark for thrash metal bands that followed. It proved that metal could be both musically challenging and accessible, inspiring bands to push their own boundaries. The phrase "killing is my business" became synonymous with the uncompromising attitude of thrash metal, influencing the genre's identity.

## **Impact on Metal Culture**

Beyond the music itself, "killing is my business" became a cultural touchstone within the metal community. It symbolized rebellion, intensity, and a refusal to conform. Fans embraced the phrase as a badge of honor, and it has appeared on merchandise, tattoos, and even in other media, showing the lasting cultural significance of the album and its themes.

## **Influence on Modern Metal Bands**

Many contemporary metal bands cite Megadeth and their debut album as a major influence. The technical guitar work, aggressive tempos, and thematic boldness continue to inspire new generations of musicians. The phrase "killing is my business" is often referenced or alluded to in modern metal songs and lyrics, underlining its enduring relevance.

## **Why "Killing Is My Business" Still Matters Today**

In today's music landscape, where genres often blend and evolve rapidly, \*Killing Is My Business... and Business Is Good!\* remains a touchstone for authenticity and raw energy. Its significance lies not only in its musical quality but also in the spirit it embodies.

## **The Timeless Appeal of Aggression and Skill**

Metal fans continue to appreciate the balance of technical skill and raw passion that the album delivers. In an era of polished productions and digital enhancements, the gritty, unpolished sound of "killing is my business" reminds listeners of the roots of metal—where passion and musicianship go hand in hand.

## **Connecting with Metal's Roots**

For new fans, exploring the album is like going back to metal's formative years. It offers a glimpse into the early days of thrash and the mindset that drove bands to challenge conventions. This connection to history enriches the listening experience and keeps the metal community grounded.

## **Inspiration for Creativity and Individuality**

The boldness of the album encourages musicians and fans alike to embrace their individuality and express themselves fearlessly. "Killing is my business" is more than a

lyric—it's a declaration of commitment to one's craft and identity, a message that remains powerful across all creative fields.

## **Diving Deeper: Exploring Related Themes and Concepts**

The phrase "killing is my business" also opens up broader discussions about the role of violence and aggression in music and art, and how these themes are used symbolically rather than literally.

### **Violence as Metaphor in Metal**

While the phrase might sound literal, in many cases, the aggressive language in metal serves as a metaphor for personal struggle, societal conflict, or emotional intensity. It's a way to channel frustration and catharsis, allowing listeners to confront difficult feelings in a controlled environment.

### **The Business of Metal**

Interestingly, the phrase also plays on the idea of music as a business—where the “killing” can be interpreted as dominating the market or excelling in one's craft. For bands like Megadeth, the music industry is both a creative outlet and a competitive arena, and the album title captures that duality.

### **Thrash Metal as Social Commentary**

Many songs on *\*Killing Is My Business... and Business Is Good!\** deal with social and political issues, reflecting the turbulent times of the 1980s. The use of aggressive imagery and themes is a way to critique power structures and express dissent, showing how metal can serve as a platform for meaningful commentary.

The phrase "killing is my business" may have originated in a specific musical context, but its resonance extends far beyond. It symbolizes passion, skill, rebellion, and a relentless drive to succeed, all qualities that continue to inspire fans and musicians around the world. Whether you're a longtime metalhead or a curious newcomer, understanding this phrase and its origins offers a richer appreciation of the genre's history and cultural impact.

# Frequently Asked Questions

## What is the origin of the phrase 'Killing Is My Business'?

The phrase 'Killing Is My Business' originates from the 1985 debut album by thrash metal band Megadeth, titled 'Killing Is My Business... and Business Is Good!'. It reflects the aggressive and intense themes typical of the genre.

## How has 'Killing Is My Business' influenced heavy metal music?

The album 'Killing Is My Business... and Business Is Good!' is considered a pioneering work in thrash metal, influencing numerous bands with its fast tempos, complex guitar work, and dark lyrical themes, helping to shape the genre's evolution.

Killing Is My Business: A Deep Dive into the Legacy and Impact of a Thrash Metal Classic

**killing is my business** is more than just a phrase—it is the title of a groundbreaking album that helped define the thrash metal genre and left an indelible mark on heavy music. Released in 1985 by the American band Megadeth, "Killing Is My Business... and Business Is Good!" stands as a testament to the raw energy, technical prowess, and

aggressive songwriting that characterized the mid-1980s metal scene. This article explores the album's historical context, its influence on metal music, and the factors that continue to resonate with fans decades after its release.

## **The Historical Context of "Killing Is My Business"**

In the early 1980s, thrash metal was emerging as a powerful subgenre, combining the speed and intensity of hardcore punk with the complexity and musicianship of traditional heavy metal. Bands like Metallica, Slayer, and Anthrax were at the forefront of this movement, creating a new sound that emphasized speed, aggression, and lyrical themes often centered on social issues, politics, and personal struggles.

Megadeth, founded by Dave Mustaine after his departure from Metallica, quickly positioned itself as a major player in this burgeoning scene. "Killing Is My Business... and Business Is Good!" was their debut album, released independently in 1985 before being picked up by Combat Records. The album's release coincided with a period of rapid growth in thrash metal's popularity, helping to solidify the genre's appeal to a new generation of metal fans.

## **Production and Sound Quality**

One notable aspect of "Killing Is My Business" is its raw, unpolished production. Recorded on a modest budget and rushed schedule, the album's sound captured the urgency and ferocity of Megadeth's early performances. While some critics have noted that the production quality is less refined compared to later Megadeth releases, many fans appreciate the album's gritty and authentic feel, which reflects the DIY ethos prevalent in the metal underground at the time.

The album features rapid-fire guitar riffs, complex arrangements, and Dave Mustaine's distinctive vocal style. Tracks like "Rattlehead" and the title track "Killing Is My Business... and Business Is Good!" showcase the band's ability to blend technical proficiency with raw aggression, a hallmark that would define their sound throughout their career.

## **Analyzing the Themes and Lyrics**

The lyrical content of "Killing Is My Business" reveals a fascination with violence, death, and dark humor—common themes in thrash metal but approached with a unique perspective by Megadeth. The album's title track narrates the story of a hitman describing his lethal profession, a narrative device that explores themes of morality and survival with a tongue-in-cheek tone.

Other songs delve into war, espionage, and societal criticism. For example, "Mechanix," originally written by Mustaine during his time with Metallica, highlights the dangers of machinery and speed, while "The Skull Beneath the Skin" touches on paranoia and psychological turmoil. This thematic variety contributes to the album's layered appeal,

offering more than just aggressive music but also a commentary on human nature and societal issues.

## **Musical Innovation and Technicality**

"Killing Is My Business" is often praised for its technical guitar work and complex song structures. Dave Mustaine's guitar playing incorporates fast alternate picking, intricate solos, and unusual time signatures that pushed the boundaries of conventional metal music at the time. The interplay between guitars, bass, and drums creates a tight and dynamic sound that has influenced countless musicians.

The album's blend of speed and precision set a new standard for thrash metal bands, contributing to the evolution of the genre into more sophisticated and technically demanding territory. This innovation helped establish Megadeth as one of the "Big Four" of thrash metal, alongside Metallica, Slayer, and Anthrax.

## **Legacy and Impact on Thrash Metal**

The release of "Killing Is My Business" marked an important milestone in the development of thrash metal. Despite some production limitations, the album's aggressive style and thematic depth resonated with metal enthusiasts and critics alike. It demonstrated that thrash metal could be both brutal and musically complex, paving the way for future albums that would refine and expand the genre's sound.

Over the years, "Killing Is My Business" has been reissued multiple times, often with bonus tracks or remastered audio, reflecting its lasting popularity. The album also serves as a snapshot of Megadeth's early sound, capturing the raw energy that would eventually evolve into more polished and diverse offerings in later works such as "Peace Sells... but Who's Buying?" and "Rust in Peace."

## **Comparative Analysis with Contemporary Albums**

When compared to other seminal thrash albums released around the same period—such as Metallica's "Kill 'Em All" and Slayer's "Show No Mercy"—"Killing Is My Business" stands out for its sheer speed and technical ambition. While Metallica's debut focused on straightforward riffing and songcraft, Megadeth's album showcased more complex arrangements and a darker lyrical tone.

Slayer's debut, meanwhile, leaned heavily into satanic and horror themes, whereas Megadeth's approach combined violent narratives with a sense of irony and social commentary, adding a layer of sophistication. This distinction helped differentiate Megadeth in a crowded field and contributed to the band's enduring appeal.

## Pros and Cons of the Album

- **Pros:** Raw and energetic performances; groundbreaking technical guitar work; diverse and thought-provoking lyrical themes; influential in shaping thrash metal.
- **Cons:** Raw production quality may deter some listeners; occasional inconsistencies in song quality; vocals can be polarizing due to Mustaine's distinctive style.

Despite these drawbacks, the album's strengths have ensured its place as a cult classic and an essential listen for fans of thrash metal.

## The Role of "Killing Is My Business" in Megadeth's Career

Launching a career as influential as Megadeth's requires a strong foundation, and "Killing Is My Business" provided just that. The album introduced Dave Mustaine's vision of metal music—a blend of aggression, technical skill, and lyrical complexity—that would define the band's trajectory.

The success of this debut set the stage for Megadeth's subsequent albums, which would build upon the themes and musical techniques established here. It also cemented Mustaine's reputation as a formidable guitarist and songwriter within the metal community.

For fans and historians alike, understanding "Killing Is My Business" is key to appreciating the evolution of one of metal's most enduring bands.

As thrash metal continues to influence modern metal subgenres and inspire new generations of musicians, the legacy of "Killing Is My Business" remains firmly intact. It stands as a raw, uncompromising statement of intent—a declaration that in the world of thrash, killing is indeed the business, and business is very good.

**killing is my business: Dying Is My Business** Nicholas Kaufmann, 2013-10-08 Given his line of work in the employ of a psychotic Brooklyn crime boss, Trent finds himself on the wrong end of too many bullets. Yet each time he's killed, he wakes a few minutes later completely healed of his wounds but with no memory of his past identity. What's worse, each time he cheats death someone else dies in his place. Sent to steal an antique box from some squatters in an abandoned warehouse near the West Side Highway, Trent soon finds himself stumbling into an age-old struggle between the forces of good and evil, revealing a secret world where dangerous magic turns people into inhuman monstrosities, where impossible creatures hide in plain sight, and where the line between

the living and the dead is never quite clear. And when the mysterious box is opened, he discovers he has only twenty-four hours to save New York City from certain destruction, in *Dying Is My Business* by Nicholas Kaufmann.

**killing is my business: Raymond Chandler's Trouble Is My Business** Raymond Chandler, Arvind Ethan David, 2025-05-20 A brilliant graphic novel adaptation of Raymond Chandler's classic noir tale featuring iconic private eye Philip Marlowe "Inspired. . . . This trio brings [Chandler's] words to vivid life. . . . A triumph of teamwork."—*Air Mail* In 1940s Los Angeles, a sour-faced millionaire hires Philip Marlowe, a hard-boiled, harder-drinking detective, to scare off a suspected gold digger who has gotten her claws into his even wealthier stepson. Marlowe takes the case but quickly discovers that the woman, Harriett Huntress, isn't just after gold: she's playing a long, cold game of revenge... Marlowe forms an alliance with George, the client's chauffeur-cum-bodyguard-cum-fixer. George is a Black, Dartmouth-educated veteran with a sniper's skills and his own agenda, and the two uneasy allies find themselves on the wrong end of a brace of hired killers and an enigmatic casino boss. . . . It quickly becomes clear that Marlowe, sticking his nose where it doesn't belong, is just asking for trouble. But that's the thing. Trouble is his business.

**killing is my business: Death's Dreams** Darryl Dawson, 2019-09-14 When your work is death, there is no peaceful sleep. The nightmares of mortal men are terrifying enough. But imagine if your job description was harvester of souls, and every day and night brings you to all manner of death, from ordinary to unexpected, from gruesome to profane. Would lying down to rest bring a flood of nightmares so intense and brutal they strip away your sanity? In this new short story collection, Darryl Dawson, author of *THE CRAWLSPACE* and *IF IT BLEEDS*, invites you into the mind of the Fourth Horseman and shows you every disturbing dream. An evil clown painting, a burn victim's revenge, a dead girl's photograph, a surreal subway. These are just a few of the things that keep the Grim Reaper awake. Tonight you will sleep with Death, and his dreams are anything but sweet.

**killing is my business: The Driver and His Wife** Roland L. Reed, 2013-02-12 In 1928, young Joshua and his bride, Lena, look forward to living and working on his father's farm in the western North Carolina mountains. However, when Mr. Poole, powerful leader of Charlotte's prohibition whiskey gang, offers him a job driving fast cars, Joshua can't resist. Despite her strong objection, Joshua sends Lena back to his farm to be cared for by his family. What she finds there could hardly be more devastating and demanding of her courage. They expect to be reunited as soon as Joshua can quickly earn some good money. Instead, they each must take a long and dangerous journey before they can be reunited. In the process they both are so changed, they hardly recognize one another

**killing is my business: Pure Narco** Luis Navia, Jesse Fink, 2020-10-01 'I was a drug trafficker in the true sense of the word: a pure narco.' For 25 years Luis Antonio Navia the Cuban-American smuggled hundreds of tons of white powder for the biggest cartels in Colombia and Mexico, including Pablo Escobar's Medellín Cartel. What made him good at his dangerous job was amassing trusted contacts, losing very few shipments of coke, and maintaining a low profile. He refused to carry a weapon. But he was never far removed from the most brutal violence imaginable. One friend got his head cut off. Another was hit over the head, stuffed in a 55-gallon drum full of cement and dumped in a canal. Navia himself was kidnapped three times and went close to being fed alive to crocodiles. Somehow through it all he managed to survive and spent two decades fooling law-enforcement agencies until he came under the radar of Robert Harley, a tenacious US Customs special agent in Key West, Florida, who was determined to bring him to justice. What followed was an international game of cat-and-mouse that culminated in Navia's 2000 capture in Venezuela in one of the biggest antinarcotics takedowns of all time, the 12-nation Operation Journey. Spanning decades, continents and featuring a who's who of the drug trade, *Pure Narco* is a fast-paced adventure ride into the dark underworld of cocaine trafficking, written with the cooperation of a dozen law-enforcement agents from the world's top antinarcotics forces in the United States and Great Britain. Navia served his time in jail and is now free to tell his tale. This is the rare perspective of someone who has worked on both sides of that war: as a cocaine trafficker and US Government

consultant. This book is a redemption story. Luis Navia, the pure narco, has gone full circle.

**killing is my business: Pure Narco** Jesse Fink, Luis Navia, 2021-11-11 For a quarter century, Luis Antonio Navia worked as a high-level cocaine transporter for all of the major Colombian and Mexican drug cartels, including Pablo Escobar's Medellín Cartel, and flooded the United States and Europe with cocaine before his dramatic arrest in Venezuela in 2000 during the 12-nation Operation Journey. The story of Navia's rise, fall, takedown, imprisonment, and redemption is expertly researched and told by acclaimed biographer Jesse Fink, who has gathered interviews with Navia, Navia's family, and a dozen law-enforcement agents in the United States and Great Britain from agencies such as the DEA, ICE and Her Majesty's Customs and Excise (now Her Majesty's Revenue and Customs). Told in vivid detail, this true crime story will captivate the reader from start to finish.

**killing is my business: The Between** Timothy Swiney, 2017-09-07 In 11th century Scotland, when witches ruled the night, faeries danced within stone circles, and all manner of mystical beings inhabited the forests, a young hero must face a host of strange creatures on his quest to destroy an evil witch.

**killing is my business: Crooked Stars** Rock Forsberg, 2020-11-09 They took away his sight, his hearing, his feeling, and his body. But he got to keep his brain—a fully operational CPU with a nerfed IO. Daler Tait is the youngest of three sons of a mining mogul on a desert planet in the far reaches of the galaxy. He has big ambitions and little patience, but to please his parents, he plans to apply to the Academy of Virtuous Knowledge. But when his father is murdered, his plans crumble like sandcastles. Daler swears to find the killer and avenge his father. He seeks help from a galactic criminal organisation and is soon light-years from home, growing up by learning the ways of the underworld. Soon there's blood on the sand, blood in the vacuum of space, and blood on his hands. As the years go by, the ghosts of his the past grow stronger. On the verge of paranoia, with little to win and the universe to lose, he must face his ultimate tormentor. Sometimes death isn't the worst outcome. Crooked Stars takes you on a fantastic ride across the galaxy, from dry sands of Runcor, via the stillness of Poorelline Nebula, to the smut of Spit City. If you like shady folks on galactic escapades, you'll love this thought-provoking novel. Buy Crooked Stars to enter the galactic underworld today!

**killing is my business: The Devil to Pay** Harold Robbins, Junius Podrug, 2007-08-28 "[An] aromatic brew of sex, danger, money, drugs and shade-grown Arabica coffee . . . an addictive caffeine substitute for Robbins's fans." —Publishers Weekly Nash Novak, a struggling Seattle businesswoman who has been framed for arson and murder, is in desperate need of money for her defense. The only way for her to get it: A coffee plantation she has inherited. But there's a catch: She has to run the plantation, deep in the jungles of Colombia, a land of drug lords and warlords. Racing to South America, on the run from the police, she becomes entangled with suspicious characters: Ramon, rich and handsome, with a secret sex life that shocks even Nash though she considers herself an adventurous woman; Josh, an American expatriate, who claims to be a simple gem smuggler and arouses passions in Nash she thought were long dead; and Lily Soong, an erotic Chinese beauty who men—and women—lust after, often to their doom. But no one brings as much danger to her life as Pablo Escobar, king of the Medellín drug cartels. Things get even more complicated when Nash's quest to clear herself takes her to Shanghai, home of the powerful Chinese Triads that control the flow of dirty money from gambling, prostitution, drugs and murder. Refusing to let the cartel's murderers drive her off the plantation and ruin the lives of hundreds of families who work it, Nash tackles organized crime and police agencies on two continents to save her plantation . . . and stay alive. "A wild, rollicking rollercoaster of a read." —Douglas Preston, #1 New York Times bestselling author

**killing is my business: Qualitative Research & Evaluation Methods** Michael Quinn Patton, 2023-02-07 Drawing on more than 40 years of experience conducting applied social science research and program evaluation, author Michael Quinn Patton has crafted the most comprehensive and systematic book on qualitative research and evaluation methods, inquiry frameworks, and analysis options available today. Now offering more balance between applied research and evaluation, this

Fourth Edition illuminates all aspects of qualitative inquiry through new examples, stories, and cartoons; more than a hundred new summarizing and synthesizing exhibits; and a wide range of new highlight sections/sidebars that elaborate on important and emergent issues. For the first time, full case studies are included to illustrate extended research and evaluation examples. In addition, each chapter features an extended rumination, written in a voice and style more emphatic and engaging than traditional textbook style, about a core issue of persistent debate and controversy.

**killing is my business: Creating Opportunities for Small Businesses in an Economic Recovery** United States. Congress. House. Committee on Small Business, 2008

**killing is my business: Corporate Crime in America** Richard P. Conaboy, 1998-07 This symposium focused on the ways in which companies, industries, & enforcement officials have responded to the organizational sentencing guidelines' incentives & other changes in the enforcement landscape that encourage businesses to develop strong compliance programs & adopt crime-controlling measures. Topics included organizational guidelines, corporate experiences in developing effective compliance programs, evolving compliance standards, enforcement schemes & policies, protection of compliance practices from disclosure, & the government's role in fostering good corporate citizenship. Ó Illustrated.

**killing is my business: Congressional Record** United States. Congress, 2010

**killing is my business: Killing Me** Michelle Gagnon, 2023-05-16 Finalist for the CALIBA 2023 Golden Poppy Award A LibraryReads Pick Utterly original and wildly entertaining, *Killing Me* is a laugh-loud-loud thriller with a protagonist whose life is a total mess. She escaped a serial killer. Then things got weird. Amber Jamison can't believe she's about to become the latest victim of a serial killer. She's savvy and street smart, so when she gets pushed into, of all things, a white windowless van, she is more angry than afraid. Things get even weirder when she's miraculously saved by a mysterious woman . . . who promptly disappears. Who was she? And why is she hunting serial killers? You'd think escaping one psychopath would be enough, but Amber's problems are just beginning. Her close call has law enforcement circling a past she's tried to outrun. She's forced to flee across the country, ending up at a seedy motel in Las Vegas with a noir-obsessed manager and a sex worker as her unlikely companions . . . and danger right behind. She's landed in the cross hairs of the world's most prolific killer, caught up in a deadly game that's been going on for years. To survive, she is forced to dust off her old playbook and partner with someone she can't trust. The odds are against her, but sometimes you just have to roll the dice.

**killing is my business: Heaven-How Do I Get There?** John Tyler, 2005-02-22

**killing is my business: Killing Lions** John Eldredge, Samuel Eldredge, 2014-09-16 Accept the wild, daring adventure of becoming a man. Learn about the potential pitfalls, joys, and triumphs that lay ahead as you begin the journey to become the man God created you to be. We all desire to be self-sufficient and find our own direction as we pursue our dreams. We want to know it all and never ask for help. But sooner or later the thrill of independence gets lost in the fog of isolation and uncertainty. It's time to take the pressure off. We were never meant to figure life out on our own. We need mentors and guides to show us the way and share their earned wisdom. *Killing Lions* was born out of a series of weekly phone calls between Sam Eldredge, a young writer in his twenties, and his dad, best-selling author John Eldredge. Join the conversation as a John and Sam talk about real life issues and struggles, including: Figuring out a career and calling Dealing with money Identity and validation Love and dating Decision making Spiritual warfare Questions and doubts about God Getting married Chasing dreams Setting off on your adventure when circumstances are uncertain. *Killing Lions* is more than fatherly advice, it is an invitation into a journey: either to be the son who receives fathering or the father who learns what must be spoken. Rooted in Scripture and full of honest wisdom, *Killing Lions* will help you face and conquer the trials that lay ahead as you become the man God created you to be.

**killing is my business: Death Song** Andrew McBride, 2017-04-01 They were two men driven

by implacable hatred: Lieutenant Ranald Neal of the U.S. Cavalry, seeking his place in the roll-call of history, as the man who ended the Indian Wars, and Sombra the Apache war chief, bent on revenge. The two deadly enemies fought each other across the savage wilderness of the border country. They met for the last time in The Place of Bones, forbidden ground in the shadow of Ghost Mountain. Caught in the middle, as this genocidal war reached its bloody climax, was the white woman who had been the Apaches captive and whose yellow hair gave Sombra luck in battle. Then, too, there was the formidable Calvin Taylor, Indian scout, hired gun and man killer. Could he, against all the odds, succeed in his deadly mission?

**killing is my business: Boniface Box Set** Simon Cann, 2016-06-23 Three gripping novels, one low price. The first three Boniface novels in one volume. The Murder of Henry VIII When the author he is representing is murdered, Boniface realizes the job demands more than he expected. And when the man he is talking with is shot, Boniface runs. Pollute the Poor The first Boniface knows about the dead body in the next room is when he is arrested for murder. Tattoo Your Name on My Heart When his client's wife disappears, Boniface uncovers the secret she has been keeping from her husband.

**killing is my business: Parking and the City** Donald Shoup, 2018-04-11 Donald Shoup brilliantly overcame the challenge of writing about parking without being boring in his iconoclastic 800-page book The High Cost of Free Parking. Easy to read and often entertaining, the book showed that city parking policies subsidize cars, encourage sprawl, degrade urban design, prohibit walkability, damage the economy, raise housing costs, and penalize people who cannot afford or choose not to own a car. Using careful analysis and creative thinking, Shoup recommended three parking reforms: (1) remove off-street parking requirements, (2) charge the right prices for on-street parking, and (3) spend the meter revenue to improve public services on the metered streets. Parking and the City reports on the progress that cities have made in adopting these three reforms. The successful outcomes provide convincing evidence that Shoup's policy proposals are not theoretical and idealistic but instead are practical and realistic. The good news about our decades of bad planning for parking is that the damage we have done will be far cheaper to repair than to ignore. The 51 chapters by 46 authors in Parking and the City show how reforming our misguided and wrongheaded parking policies can do a world of good. Read more about parking benefit districts with a free download of Chapter 51 by copying the link below into your browser.
