

sex questions for married couples

Sex Questions for Married Couples: Unlocking Deeper Intimacy and Connection

Sex questions for married couples often serve as a gateway to deeper understanding, emotional closeness, and renewed passion within a long-term relationship. While many couples may feel hesitant or awkward about discussing intimate topics openly, these conversations are crucial for nurturing a satisfying and healthy sexual connection. Whether you've been married for a few years or several decades, asking thoughtful and honest questions can help both partners feel more valued, heard, and desired.

In this article, we'll explore some of the most meaningful sex questions for married couples, explain why they matter, and provide practical tips on how to approach these conversations. Along the way, we'll incorporate related ideas such as communication in the bedroom, overcoming sexual challenges, and maintaining intimacy over time. By the end, you'll have a clear roadmap for sparking dialogue that strengthens your bond and keeps your love life vibrant.

Why Asking Sex Questions for Married Couples Matters

Open communication about sex is a cornerstone of a happy marriage. Many couples experience changes in their sexual relationship due to stress, health issues, parenting, or simply the passage of time. Without honest dialogue, misunderstandings and unmet needs can fester, leading to frustration or emotional distance.

Sex questions for married couples encourage vulnerability and honesty. They create a safe space for partners to express desires, fears, and curiosities without judgment. This not only improves sexual satisfaction but also fosters emotional intimacy, trust, and mutual respect.

Moreover, discussing sex openly helps couples stay aligned as their preferences, boundaries, and fantasies evolve. It can also demystify topics like libido discrepancies, performance anxieties, or preferences for different types of intimacy, making it easier to find mutually fulfilling solutions.

Key Sex Questions for Married Couples to Explore

The following questions are designed to open the door to meaningful conversations that promote understanding and pleasure. Tailor them to fit your unique relationship style and timing, and remember that patience and kindness are essential.

What Are Your Favorite Ways to Be Intimate?

Understanding how your partner prefers to express and receive intimacy can deepen your connection. This question goes beyond intercourse to include cuddling, kissing, massages, or verbal affection. Some partners might prioritize emotional closeness over physical acts, and knowing this

helps align your efforts.

Are There Sexual Fantasies You'd Like to Share or Explore?

Sharing fantasies can be intimidating but can also invigorate your sex life by introducing new ideas and excitement. It's important to approach this topic with openness and without pressure, emphasizing that fantasies are natural and don't always require fulfillment.

How Do You Feel About Our Current Sex Life?

Encouraging your spouse to honestly express satisfaction or concerns helps identify areas for improvement. This question can reveal whether frequency, variety, or emotional connection needs attention.

What Makes You Feel Most Desired and Appreciated?

Sometimes small gestures or words outside of the bedroom can significantly impact how desired a partner feels. Recognizing what makes your spouse feel valued can enhance both emotional and physical intimacy.

Are There Any Boundaries or Comfort Levels You Want Me to Know About?

Respecting boundaries is vital for trust and safety. This question invites a discussion about limits, past experiences, or triggers that might affect intimacy.

How to Approach Sex Questions for Married Couples with Sensitivity

While these questions are powerful tools, the way you ask them matters just as much as the questions themselves. Here are some tips to create a supportive environment for open dialogue:

- **Choose the Right Moment:** Avoid bringing up sensitive topics during busy or stressful times. Instead, pick a relaxed moment when both partners are receptive.
- **Use "I" Statements:** Frame your questions and comments from your perspective to avoid sounding accusatory. For example, "I've been curious about..." rather than "Why don't you..."
- **Be Patient and Listen Actively:** Allow your partner to share without interruption and

validate their feelings.

- **Practice Empathy:** Recognize that discussing sex can be vulnerable and sometimes uncomfortable. Approach with kindness and understanding.
- **Make It a Regular Habit:** Integrate these conversations naturally over time rather than making them a one-time “interview.”

Addressing Common Sexual Challenges Through Questions

Every marriage faces its unique hurdles. Using sex questions for married couples can help identify and navigate some of the most common challenges:

Dealing with Differences in Libido

Many couples struggle when one partner has a higher or lower sex drive. Asking open-ended questions like, “How do you feel about the frequency of our intimacy?” or “What helps you feel more in the mood?” can shed light on how to balance these differences respectfully.

Reigniting Passion After Parenthood

The arrival of children often shifts priorities and energy levels. Questions such as “What can we do to create more time and space for intimacy?” or “How do you feel about spontaneous romantic moments?” can help couples brainstorm ways to rekindle their connection.

Overcoming Performance Anxiety or Body Image Issues

Concerns about physical appearance or sexual performance can dampen desire. Sensitive questions like “What makes you feel confident and sexy?” or “Is there anything I can do to help you relax and enjoy our time together?” can build reassurance.

Using Sex Questions to Enhance Emotional Intimacy

While physical intimacy is important, emotional closeness often fuels the desire for sex. Sex questions for married couples can be a bridge between the heart and body, helping partners feel truly seen and understood.

Asking about feelings before, during, and after sex can deepen your emotional bond. Examples include:

- “What do you enjoy most about our intimate moments?”
- “How can I support you emotionally to feel closer to me?”
- “Are there ways we can create a more relaxing or romantic atmosphere together?”

These kinds of questions encourage ongoing dialogue that integrates love, trust, and vulnerability—key ingredients for a thriving sexual relationship.

Incorporating Playfulness and Curiosity into Your Sexual Conversations

Not every conversation about sex needs to be serious or intense. Injecting humor and curiosity can make discussions more enjoyable and less pressured. Consider playful questions like:

- “If you could plan the perfect date night, what would it include?”
- “What’s one adventurous thing you’ve always wanted to try with me?”
- “What’s a secret turn-on you’ve never told me about?”

These lighter questions can spark excitement, reduce tension, and open doors to exploring new experiences together.

Navigating sex questions for married couples is an ongoing journey rather than a one-time task. By fostering openness, empathy, and curiosity, partners can continuously deepen their sexual and emotional connection. Remember, the goal is not perfection but genuine understanding and mutual pleasure, which form the foundation of a resilient and loving marriage.

Frequently Asked Questions

How can married couples keep their sex life exciting over the years?

Married couples can keep their sex life exciting by communicating openly about their desires, trying

new activities together, scheduling intimate time, and focusing on emotional connection to maintain intimacy.

Is it normal for married couples to experience fluctuations in sexual desire?

Yes, it is normal for sexual desire to fluctuate in marriage due to factors like stress, health, aging, and life changes. Open communication and mutual understanding can help navigate these changes.

How important is communication about sex in a marriage?

Communication about sex is crucial in a marriage as it helps partners express their needs, set boundaries, resolve misunderstandings, and enhance intimacy and satisfaction.

What are some ways to overcome mismatched sexual desire in a marriage?

Overcoming mismatched sexual desire involves honest conversations, seeking compromise, exploring alternative forms of intimacy, and sometimes consulting a therapist or counselor for guidance.

Can trying new sexual activities strengthen a marriage?

Yes, trying new sexual activities can strengthen a marriage by fostering excitement, improving communication, building trust, and creating shared positive experiences.

How can married couples maintain intimacy when dealing with busy schedules?

Married couples can maintain intimacy despite busy schedules by prioritizing quality time together, being spontaneous when possible, using small gestures of affection, and openly discussing their needs and feelings.

Sex Questions for Married Couples: Navigating Intimacy with Communication and Care

sex questions for married couples serve as essential tools for maintaining and enhancing intimacy within long-term relationships. While marriage often brings comfort and stability, sexual satisfaction can become a complex, evolving challenge. Couples who proactively engage in open conversations about their sexual desires, boundaries, and concerns are more likely to sustain a fulfilling connection. This article explores the significance of asking the right questions, the impact on relationship health, and practical approaches for couples seeking to deepen their understanding of each other's sexual needs.

The Role of Sexual Communication in Marriage

Effective communication about sex is widely recognized as a cornerstone of a healthy marriage. According to studies published in the Journal of Sex Research, couples who regularly discuss their sexual preferences and concerns report higher satisfaction levels and stronger emotional bonds. Despite its importance, many couples avoid these conversations due to embarrassment, fear of judgment, or discomfort. Sex questions for married couples can break down these barriers by providing a structured way to explore intimacy with honesty and respect.

Engaging in dialogue helps partners identify potential mismatches in desire, frequency, or sexual boundaries before they escalate into conflicts. Moreover, discussing sex openly contributes to trust-building, which is fundamental for vulnerability in all aspects of a relationship.

Why Are Sex Questions Important?

Sex questions for married couples are more than just curiosities; they function as diagnostic tools to reveal underlying issues and opportunities for growth. For example, questions about preferences can uncover unspoken fantasies or unmet needs, while those addressing concerns might highlight physical or emotional challenges.

In addition, these questions encourage partners to be active participants in their sexual relationship rather than passive recipients. This active engagement fosters mutual respect and shared responsibility for the couple's sexual wellbeing.

Key Areas to Explore Through Sex Questions

Sexual intimacy is multifaceted, encompassing physical, emotional, and psychological dimensions. To cover this complexity, couples should consider questions across several core areas.

Desires and Preferences

Understanding each other's sexual likes and dislikes establishes a foundation for satisfying encounters. Examples of pertinent sex questions for married couples in this category include:

- What types of physical touch do you enjoy the most?
- Are there any fantasies or new experiences you would like to explore together?
- How do you feel about incorporating toys or other enhancements into our sex life?

These inquiries help partners align their sexual activities with mutual pleasure, reducing frustration

and enhancing intimacy.

Frequency and Timing

Disparities in sexual desire frequency are common in married couples and can lead to misunderstandings. Openly discussing expectations about how often to engage in sex can prevent resentment.

- How often do you feel comfortable having sex?
- Are there particular times or situations when you feel more interested in intimacy?
- How do life stressors affect your sexual desire?

By addressing these questions, couples can negotiate compromises that respect both partners' needs and schedules.

Physical and Emotional Comfort

Sexual satisfaction is closely linked to feeling safe and emotionally connected. Questions in this domain help identify any discomforts or emotional blocks:

- Are there any physical issues or pain that affect your enjoyment of sex?
- Do you feel emotionally supported during and after intimacy?
- Is there anything I can do to make you feel more comfortable or desired?

Addressing such topics can lead to solutions ranging from medical consultations to adjustments in sexual routines or emotional support practices.

Challenges in Discussing Sex Questions for Married Couples

Despite the benefits, several obstacles hinder open sexual communication. Cultural taboos, gender norms, and personal insecurities often suppress honest dialogue. For instance, research from the American Psychological Association highlights how traditional gender roles may discourage men from expressing vulnerability or women from asserting their desires.

To overcome these barriers, couples might consider the following strategies:

1. **Create a Safe Environment:** Choose a private, relaxed setting free from distractions to initiate conversations.
2. **Use “I” Statements:** Frame questions and responses in ways that focus on personal feelings rather than accusations or blame.
3. **Seek Professional Guidance:** Therapists specializing in couples or sex therapy can facilitate productive discussions and provide tailored advice.

Technology and Tools to Facilitate Sexual Communication

In recent years, several digital tools and apps have emerged to help couples explore sex questions in a structured, non-threatening format. These platforms offer curated question prompts, quizzes, and communication exercises designed to enhance intimacy.

Examples include:

- Couples’ intimacy apps that generate daily or weekly sex questions tailored to relationship stages.
- Online therapy platforms offering confidential sessions focused on sexual health.
- Interactive games that encourage playful yet meaningful conversations about desires and boundaries.

While these tools are not substitutes for genuine dialogue, they can serve as helpful icebreakers and ongoing prompts.

The Impact of Sex Questions on Long-Term Relationship Satisfaction

Consistent use of sex questions for married couples contributes to not only improved sexual satisfaction but also broader relationship benefits. Research links open sexual communication to enhanced emotional intimacy, increased trust, and reduced conflict rates. Couples who navigate sexual issues collaboratively tend to exhibit greater resilience when facing external stressors.

Moreover, sex questions can help normalize changes in sexual dynamics over time, such as those caused by aging, health conditions, or life transitions like parenthood. Regular check-ins enable partners to adapt their intimacy practices in alignment with evolving needs, maintaining a sense of

connection and mutual care.

Potential Drawbacks and Considerations

While discussing sex openly has many advantages, couples should be mindful of potential pitfalls:

- **Overanalyzing:** Excessive focus on sexual performance or problems can create pressure and anxiety.
- **Miscommunication:** Poorly phrased questions or defensive responses might lead to misunderstandings.
- **Privacy Boundaries:** Respecting each other's comfort levels about what topics to explore is crucial.

Balanced, empathetic communication that prioritizes connection over critique is essential to avoid these issues.

Practical Examples of Sex Questions for Married Couples

To illustrate, here are examples of thoughtfully crafted questions that can guide couples' conversations:

1. What is something new you've been curious to try but haven't shared with me yet?
2. How do you feel our sex life has changed since we first got married?
3. Are there moments during intimacy when you feel most emotionally connected to me?
4. What can I do to make you feel more desired or appreciated outside the bedroom?
5. Are there any habits or routines we have that you think could be improved for better sexual satisfaction?

These prompts encourage reflection, sharing, and joint problem-solving.

As couples incorporate sex questions into their regular interactions, they often discover that the benefits extend well beyond the bedroom. The mutual vulnerability and understanding fostered by these conversations can rejuvenate the emotional core of the marriage, creating a partnership that thrives on openness and genuine connection.

sex questions for married couples: Identity and Intimacy in Marriage Susan Krauss Whitbourne, Joyce B. Ebmeyer, 2013-11-11 Through the research on which this book reports, we have been given the unique opportunity to explore the complex nature of two of the most important

issues in the lives of adults: identity and intimacy. It is with deep gratitude that we give credit to the 80 individuals in our sample who allowed us to explore these processes in their lives. Our purpose in writing this book was, in some ways, a modest one. Both of us believed that research on the Eriksonian concept of intimacy was deficient in that it was limited to the reports of individuals about them selves. We maintained that this kind of research could provide only a narrow, and probably biased, view of the intimacy development of individuals. By obtaining complementary responses to the intimacy interview from both partners in a marital relationship, we hope to pave a new path that future researchers in this area will follow. Beyond this methodological advance, we intended that this book's theoretical focus could put a new perspective on the well-trodden path of research on marriage. This more ambitious goal is one that we faced with some trepidation. The literature on marital adjustment and satisfaction is vast and potentially overwhelming.

sex questions for married couples: Emotional and Sexual Intimacy in Marriage Marcus Kusi, Ashley Kusi, 2017-03-09 How to connect or reconnect with your spouse, grow together, and strengthen your marriage - EVEN if you don't know where to start. Do you feel something is missing in your marriage? Do you feel like roommates? Are you worried about drifting apart? Do you ever miss the connection you once had? Do you want to fall in love again so you can rekindle intimacy in your marriage? Needless to say, you are not alone. The truth is, we all want to feel loved and desired by the person we have committed to spend the rest of our life with. Somewhere along the journey, life gets in the way; busy schedules, pregnancies, kids, health issues, looming work deadlines, career changes, unexpected life and family events, etc. Your spouse is physically present with you, but it feels like they are miles away. The spark and excitement is starting to wane. You are slowly growing apart. The sad truth is this: Lack of intimacy in marriage can easily lead to resentment, anger, frustrations, feeling neglected, miserable, and even divorce. But, don't give up yet. No matter how hopeless you feel about the state of your marriage, we believe you can rekindle intimacy with your spouse. Because it happened to us too. We used to be just like you, missing that deep connection, meaningful conversations, and excitement we had when we first met. However, we have used what we share in this book to reconnect, grow together, and rekindle intimacy in our marriage; emotionally, intellectually, spiritually, physically, sexually, and much more. As a result, we now have a healthier, happier, sexier, and satisfying marriage. In this book, you will learn how to: 1. Connect or reconnect with your spouse so that you can rekindle your marriage, without breaking your budget. 2. Overcome emotional, physical, and sexual intimacy issues like mismatched sexual desires in the bedroom. 3. Communicate your feelings with courage, even when you are hurt, frustrated, or angry. 4. Create a safe haven so you can be vulnerable with each other without feeling judged. 5. Deal with anxiety about intimacy for yourself or your spouse. 6. The 5 simple things we do every day that has been proven to strengthen intimacy in many marriages; even if you don't have much time. 7. More than 52 conversation starters for deeper conversations, building trust, intellectual and emotional intimacy. 8. The different forms of intimacy every couple needs to know so you can build that intimate connection you both desire. 9. Over 69 simple, yet effective ways to rekindle intimacy, romance, and the passion you once had. Plus, the 30-Day and 12-Month intimacy challenge for couples; which is about practicing intimacy in your marriage every single day. You see, a marriage without emotional and sexual intimacy is bound to be unfulfilling. So, if you want to enhance intimacy in your marriage, rekindle the romance, and have satisfying sex with your spouse, then this book is for you. More importantly, Emotional and Sexual Intimacy in Marriage will change the way you relate with your spouse, live your marriage, and make intimacy a part of your daily life - starting today! sex questions for married couples: MEN, WOMEN, AND GOD A DISCUSSION OF SEX QUESTIONS FROM THE CHRISTIAN POINT OF VIEW A. HERBERT GRAY, 1923

sex questions for married couples: Real Marriage Participant's Guide Mark Driscoll, Grace Driscoll, 2012-01-02 You planned for the first day of your marriage... Are you planning for the last? While a wonderful wedding day is important, it's the last day of marriage that really counts. Will the last day of your marriage come prematurely through divorce? Will it be filled with regrets as you sit at the funeral of your spouse? Or, by God's grace, will the last day be a day to rejoice in the life you lived together? Pastor Mark Driscoll and his wife, Grace, want you to finish well on the last day. Through their book Real Marriage and the eleven-week DVD-based study they share practical help and hope with people just like them—who entered marriage a complete mess—or who are planning to be married someday and want to avoid some sticky pitfalls in the future. A companion to the Real Marriage DVD-Based Study Kit, this guide is uniquely designed for small groups, couples, and those who are considering marriage. Each session in the Participant's Guide provides engaging group study questions and essential homework for husbands, wives, and singles alike. Together you, your spouse, and your small group will tackle the tough issues such as friendship with your spouse, pornography and sexual assault, submission and respect, and sexual intimacy in marriage. God desires for your marriage to be full of joy and happiness as it glorifies His Son. Jesus makes such marriage possible through His death and resurrection. The Real Marriage Participant's Guide includes: Eleven sessions Homework specially designed for husbands, wives, and singles Guides for conversations with your spouse Ideas for date nights Notes for small group leaders Intended for use with the Real Marriage DVD-Based Study Kit (ISBN: 978-1-4185-5040-0) and the trade book Real Marriage

sex questions for married couples: Sexual Activity and Contraceptive Practices Among Teenagers in the United States, 1988 and 1995 Joyce C. Abma, 2001

sex questions for married couples: Marriage Curt Hamner, John Trent, Rebekah J. Byrd, Eric L. Johnson, Erik Thoennes, 2018-11-06 Never has the sacred covenant of marriage been more maligned than it is today. It can be difficult to know how to respond to a culture that is becoming more and more antagonistic to biblical beliefs about marriage. And this is a topic worth getting right. Marriage was given to us as a picture of the triune God in relationship with his people, which means what we believe about marriage is indissolubly tied to what we believe about God and his creating and saving purposes. Therefore, it is more important now than ever that we think theologically and carefully about what marriage is and how we live faithfully in it. Marriage: Its Foundation, Theology, and Mission in a Changing World is the much-needed work on marriage for this generation and the next. Rooted in a scriptural understanding of marriage, it thoughtfully engages the issues surrounding marriage being debated today and lays the groundwork for the crucial conversations of our day. Each section contains chapters from trusted theologians as well as experienced practitioners who work with couples daily. Rediscover the beauty of God's design for marriage and be strengthened to stand firm amidst any challenges the world may bring

sex questions for married couples: Don't You Dare Get Married Until You Read This! Corey Donaldson, 2009-02-04 The Book to Read Before You Say I Do If you're headed for the altar -- or you're in a serious relationship that could lead to marriage -- you probably already know that issues like love, sex, money, religion, kids, in-laws, and even who has to walk the dog can become potential landmines if you and your partner don't discuss your feelings openly before you take the plunge. Now, Corey Donaldson has put together more than 500 questions -- ranging from playful to provocative -- designed to get you and your partner talking frankly and communicating effectively before you walk down the aisle. Donaldson covers hot topics such as: * Does it matter to you who earns most of the money? * What does my family do that annoys you? * What is the difference, for you, between love and romance? * What place do you believe religion has in the world? * How long do you want to wait before having children? * If I wanted to move away from our families for work, would you support me? * Who cleans the house? Perfect for couples in the midst of planning their

nuptials, a duo considering I do, or even partners in established relationships who just want to get to know each other again, *Don't You Dare Get Married Until You Read This!* is a must-have for anyone who wants to make their marriage last.

sex questions for married couples: *Sex Before Marriage* Eleanor Hamilton, 2023-07-05 In this book, originally published in Britain in 1971, and reissued here with a new preface, Eleanor Hamilton provides an enlightened and practical guide to the problems of sex and love for the increasing number of young men and women who wanted to enjoy a full and rich relationship before marriage, still frowned upon at the time. Following in the footsteps of pioneers like Eustace Chesser and Alfred Kinsey, Dr Hamilton presents facts and ideas in a warm, open-minded and sympathetic way. Simply and clearly, she explains the art and techniques of lovemaking (coital and non-coital), sexual development in childhood and adolescence, birth control, personal and emotional problems, how to handle accidental pregnancy and how to understand sexual difficulties and so-called deviations. This book is a re-issue originally published in 1969. The language used and views portrayed are a reflection of its era and no offence is meant by the Publishers to any reader by this re-publication.

sex questions for married couples: *Dr. Karen's Marriage Manual* Karen Ruskin, 2011

sex questions for married couples: *Sexuality Education* Elizabeth Schroeder, Judy Kuriansky, 2009-04-30 An exemplary team of professionals provides a comprehensive look at sex education, the heated debate over federal controls, current research and practice, programs, politics, legislation, and cultural and religious issues related to sex and sexuality education. In the groundbreaking *Sexuality Education: Past, Present, and Future*, the history, practices, and politics of sexuality education are explained. Respected educators, counselors, and therapists marshal both research and educated opinion to offer insights into exactly what is meant by sex education, what the various approaches are, what age appropriate lessons are supported by most professionals, and the impact of government policies. Noting that the need for sexuality education has expanded to adults, from new parents to senior citizens, this unique work also takes readers into classrooms and makes them privy to conversations representing everyone from elementary school students to nursing home residents. These comments reveal the range of unanswered questions about sex—questions that are important for psychological, as well as physical health. In addition, the contributors explore ongoing issues in sexuality education, such as how to present culturally competent lessons that include consideration of race, ethnicity, gender, religion, and sexual orientation. The experts also examine sexuality education in other countries, the challenges those countries face, and their victories over unplanned pregnancy and STDs in the global effort to preserve sexual health.

sex questions for married couples: *Crazy Good Sex* Les Parrott, 2009 In this practical guidebook filled with straight talk, psychologist and bestselling author Dr. Les Parrott shares six secrets to help men and their wives experience the best sex they've ever had.

sex questions for married couples: *Jet* , 1953-02-12 The weekly source of African American political and entertainment news.

sex questions for married couples: *Handbook of Couples Therapy* Michele Harway, 2005-01-21 The essential guide to successful couples therapy at every stage of the lifecycle A variety of therapeutic interventions can help couples develop the tools for a successful relationship. Yet many practitioners begin seeing couples without extensive training in couples work. To fill this gap in their therapeutic repertoires, noted couple therapist Michele Harway brings together other well-known experts in marriage and family therapy to offer the *Handbook of Couples Therapy*, a comprehensive guide to the study and practice of couple therapy. The book's chapters provide a variety of perspectives along developmental, theoretical, and situational lines. Recognizing the need for clinically proven, evidence-based approaches, chapters provide detailed coverage of the most effective treatment modes. Couples at different stages of the lifecycle feature prominently in the text, as do relevant special issues and treatment approaches for each stage. Subjects covered include: Premarital counseling from the PAIRS perspective (an extensive curriculum of interventions for premarital couples) The first years of marital commitment Couples with young children Couples with adolescents Therapy with older couples Same sex couples A variety of theoretical approaches, including Cognitive-Behavioral, Object Relational, Narrative, Integrative, and Feminist and Contextual Special issues and situations, including serious illness, physical aggression, addiction, infidelity, and religious/spiritual commitments or conflicts Providing a diverse set of treatment approaches suited to working with a wide range of adult populations, the *Handbook of Couples Therapy* is an essential resource for mental health professionals working with couples.

sex questions for married couples: The Cultural Context of Sexual Pleasure and Problems Kathryn S. K. Hall, Cynthia A. Graham, 2012-09-10 Using rich case material and research presented by distinguished authorities in the fields of sex, couple, family, and psychotherapy, this edited book contributes to our efforts to help individuals and couples increase their sexual satisfaction. The authors explore social and cultural backgrounds, the meaning of sexual problems in specific cultural contexts, and the way in which culture presents challenges to traditional psychotherapy. More importantly, they answer the question: should therapists accept any and all behaviors, values, and attitudes that are considered normal, even if they violate the therapist's own cultural standards? The case studies identify challenging cultural issues and provide clinicians with culturally sensitive treatment options. The book's sections also separate chapters based on the degree to which psychological treatments are recognized and utilized for dealing with sexual problems in different countries, making it an ideal reference for professionals and students. The concluding chapter looks at culture through the lens of the provider, rather than the patient, and ties together the major themes and questions posed.

sex questions for married couples: *Sexuality and the Church of England, 1918-1980* Laura Ramsay, 2024-06-24 This book presents an original and archivally rich account of the Church of England's institutional grappling with matters of sex, relationships, marriage, birth control, and same-sex attraction between 1918 and 1980, uncovering a long and complex history of debates and disagreements that led to its present-day impasse over issues of sexuality. Across a long and previously underexplored chronology, the book examines various ways in which Anglicans shaped and popularised understandings of sex and desire, conceptions of sexual morality, and notions of sexual citizenship. Its account begins in the interwar years when the church exerted a powerful influence on attitudes and approaches towards sex and morality, moves through the challenges of the post-war years when Anglicans continued to debate and construct the new moral landscape of the permissive society, and ends in the late twentieth century when the church's preferred means of functioning as an agent of mediation ultimately meant it lost pace with new approaches towards sexual identities and relationships. Despite its historically established role in guiding the nation, by the late 1970s, the church had unwittingly painted itself into a corner by provoking internal disputes that it struggled to resolve. As its compromise positions became outdated, the church's views increasingly fell out of favour and contributed to its gradual demise as a former expert on sexual issues.

sex questions for married couples: *Preparing for Marriage* Jim and Teresa Adams,

2015-05-12 Whether you're in a relationship now or want to be in one, you have come to the right place. We can help. The average couple spends \$25,200 and over 250 hours on their wedding. That same couple spends less than \$100 and two hours on their marriage. Don't be guilty of having a BIG wedding and a BAD marriage. Don't spend more time focused on the ceremony than the matrimony. The wedding, while a tremendous celebration is designed to last less than a day in most cultures, while the marriage is designed to last a lifetime. Dating, engaged, married (happily or unhappily), or remarried, if you follow this resource, it is guaranteed to help you make the right decision about marriage, prepare you for marriage, or strengthen the marriage you are already in. Teresa and I have been working on this manual all our married lives - not because we are really slow writers, but because this manual is the compilation of everything we have learned in our personal lives as a married couple for 30 years with four children - boy do we have some stories to tell - as well as our professional training. This book is a compilation of what we have seen work and not work in more than 20 years of practical application working with dating, engaged, married, and remarried couples. We developed this system out of necessity. We used another manual for more than a decade until it was literally no longer available. We looked for other resources, but never found one that fit our style and that really resonated with the couples we were coaching and counseling. Finally we decided to develop our own. We completed the first draft of this manual in 2010 and started using it in our weekend intensive sessions where Teresa and I meet with a couple for approximately 10 to 12 hours from Friday afternoon through Saturday (all day). As we used this tool, we have been constantly writing, rewriting, and adding as questions and issues arose that we did not initially include in this resource. We would often leave the counseling room that Friday, come home, and add or modify a section based on a situation we saw or anticipated seeing the next day in the intensive. Though we have never made this tool available to anyone other than the couples we have personally worked with, our clients have urged us to share this resource, as they were genuinely moved and changed by the information contained herein. What you hold in your hands is the result of this process. This product was not developed in a classroom, using a lot of relationship theory, but rather forged in the crucible of real-life situations and circumstances. This resource is just the beginning of your journey through Relationship Success University. For more information, please visit: RelationshipSuccessUniversity.com Tags: relationships, marriage, relationships 101, marriage counseling, christian marriage, relationship rescue, love, healthy relationships

sex questions for married couples: Sexual Revolutions G. Hekma, A. Giami, 2014-05-13 Sexual Revolutions explores the sexual revolution of the late twentieth century in several European countries and the USA by engaging with themes from sexual freedom and abortion to pornography and sexual variation. This work discusses the involvement of youth, feminism, left, liberalism, arts, science and religion in the process of sexual change.
