

when things fall apart pema chodron

When Things Fall Apart: Exploring Pema Chödrön's Wisdom on Embracing Life's Uncertainties

when things fall apart pema chodron is more than just a phrase—it's the title of a profoundly impactful book by Pema Chödrön, a revered Buddhist nun and teacher. Her teachings offer a compassionate guide to coping with life's inevitable hardships, encouraging readers to face pain, loss, and uncertainty with openness and courage. In a world that often feels chaotic and unpredictable, Chödrön's insights provide a beacon of hope and practical wisdom for anyone navigating difficult times.

If you've ever found yourself overwhelmed by change or hardship, you might find solace in the teachings of Pema Chödrön. Her approach is grounded in Buddhist philosophy but expressed in a way that resonates with people regardless of their religious background. Let's dive deeper into what "when things fall apart pema chodron" really means and how her guidance can help transform suffering into an opportunity for growth.

Understanding the Core Message of When Things Fall Apart

At its heart, "when things fall apart pema chodron" is about embracing the impermanence of life. Pema Chödrön teaches that pain, disappointment, and loss are not anomalies but natural aspects of existence. Rather than resisting or fearing these experiences, she invites us to lean into them, using mindfulness and compassion as tools to navigate the storm.

This perspective challenges the common tendency to avoid discomfort or to cling desperately to stability. Instead, Chödrön emphasizes the importance of "leaning into the wound," meaning to face our vulnerabilities head-on. This is not about seeking pain but about acknowledging it without judgment, which paradoxically can lead to healing and even joy.

The Role of Mindfulness and Meditation

One of the foundational practices Chödrön recommends is mindfulness meditation. By cultivating awareness of the present moment without trying to change or escape it, we learn to observe our thoughts and feelings with kindness rather than fear or frustration. This practice can help dissolve the overwhelming feelings that arise when life feels like it's falling apart.

Mindfulness creates space between ourselves and our experiences, allowing us to respond more skillfully instead of reacting impulsively. According to Chödrön, this gentle attention is the first step toward awakening to a deeper sense of peace.

How Pema Chödrön's Teachings Apply to Everyday Life

It's one thing to read about embracing uncertainty and another to apply it when you're in the thick of a crisis. Pema Chödrön's advice is refreshingly practical, offering concrete ways to cultivate resilience.

Developing Compassion for Yourself and Others

"When things fall apart pema chodron" is also about kindness—especially toward yourself. When we experience failure or pain, it's easy to fall into self-criticism. Chödrön encourages us to treat ourselves with the same warmth and understanding we would offer a dear friend.

This self-compassion naturally extends outward, fostering empathy for others who are also struggling. Recognizing our shared humanity can soften feelings of isolation and build stronger, more supportive relationships.

Embracing Uncertainty as a Path to Growth

One of the most empowering lessons from Chödrön's work is that uncertainty and instability are not enemies but teachers. When familiar structures collapse, it creates space for new possibilities to emerge. This mindset shifts how we experience difficult times—from periods of despair to opportunities for transformation.

By accepting change rather than resisting it, we become more adaptable and open-hearted. This flexibility is crucial in a fast-changing world where clinging to control often leads to frustration.

Practical Tips Inspired by When Things Fall Apart Pema Chödrön

If you want to integrate Pema Chödrön's wisdom into your daily routine, here are some actionable practices inspired by her teachings:

- **Practice Tonglen Meditation:** This Tibetan Buddhist technique involves breathing in the pain and suffering of yourself or others and breathing out relief and compassion. It fosters a deep connection and reduces feelings of isolation.
- **Stay Present:** When overwhelmed, try to focus on one small thing in the moment—whether it's your breath, a sound, or a sensation. This anchors you and reduces anxiety.
- **Journal Your Feelings:** Writing about your fears, grief, or frustrations can help clarify your emotions and provide a safe outlet for expression.

- **Practice Loving-Kindness:** Regularly direct kind wishes toward yourself and others to cultivate goodwill and reduce harsh self-judgment.
- **Accept Impermanence:** Remind yourself that all feelings, good or bad, are temporary. This awareness can lessen the intensity of painful experiences.

The Impact of When Things Fall Apart on Readers Worldwide

Since its publication, “when things fall apart pema chodron” has touched the hearts of countless readers. Its universal message speaks to anyone facing adversity—whether it’s grief, career setbacks, relationship struggles, or existential anxiety.

Many readers report that Chödrön’s compassionate voice feels like a gentle hand guiding them through darkness. The book’s blend of practical advice and spiritual wisdom makes it accessible and deeply comforting.

Why This Book Stands Out Among Self-Help and Spiritual Texts

Unlike many self-help books that promise quick fixes or positive thinking, Pema Chödrön’s approach acknowledges the messiness of real life. She does not sugarcoat pain or suggest that suffering is optional. Instead, she offers a realistic and hopeful path through difficulty—one that involves embracing vulnerability and uncertainty.

Her background as a Buddhist nun adds depth to her teachings, yet her language is clear and relatable, making Buddhist concepts understandable to a broad audience.

Exploring Related Themes: Impermanence, Compassion, and Courage

“When things fall apart pema chodron” naturally leads to a broader exploration of Buddhist principles that can enrich anyone’s life.

Impermanence as a Liberating Truth

Chödrön reminds us that everything changes—relationships, emotions, circumstances. This impermanence, rather than being a source of fear, can be seen as a freedom. When we stop clinging to what is temporary, we open ourselves to a more fluid and joyful experience of life.

The Power of Compassion

Compassion is not just about feeling sorry for others; it is an active force that connects us. Chödrön teaches that compassion begins with ourselves and then naturally flows outward. This practice can dissolve barriers and promote healing on both personal and collective levels.

Finding Courage in Vulnerability

One of the most challenging aspects of “when things fall apart pema chodron” is the call to courage. It takes bravery to face uncertainty without retreating into avoidance or denial. Yet, this courage is exactly what leads to genuine freedom and awakening.

The wisdom contained in “when things fall apart pema chodron” offers a powerful reminder: life’s difficulties are not roadblocks but gateways. By meeting pain with mindfulness, compassion, and courage, we transform suffering into a path of awakening. Whether you’re encountering personal loss or global uncertainty, these teachings can help you find steadiness and hope amidst the chaos.

Frequently Asked Questions

What is the main theme of 'When Things Fall Apart' by Pema Chödrön?

The main theme of 'When Things Fall Apart' is how to embrace pain and suffering as opportunities for personal growth and spiritual awakening, encouraging readers to face difficulties with courage and mindfulness.

****When Things Fall Apart: Pema Chodron's Guide to Embracing Life's Uncertainty****

when things fall apart pema chodron is a phrase that resonates deeply in the realm of contemporary spiritual literature. It refers to the seminal work by Pema Chodron, a renowned Buddhist teacher, whose teachings have transformed the way many approach hardship and personal crisis. Her book, **When Things Fall Apart: Heart Advice for Difficult Times**, offers an insightful and compassionate framework for navigating the inevitable turmoil of life. This article delves into the core themes of Chodron's work, analyzing its relevance, distinctive features, and how it compares to other mindfulness and self-help literature.

Understanding "When Things Fall Apart" in Context

Pema Chodron's **When Things Fall Apart** was first published in 1997 and quickly became a cornerstone text in Western Buddhist literature. The book's premise is straightforward yet profound: life is inherently uncertain and painful, but instead of resisting or fearing this reality, individuals can learn to embrace it with openness and courage. This philosophy is rooted in Tibetan Buddhism but is articulated in a way that is accessible to a broad audience.

The title itself encapsulates a universal human experience—moments when one's emotional, mental, or physical world seems to collapse. In such times, Chodron's teachings guide readers toward mindfulness, compassion, and resilience rather than despair or avoidance.

Core Themes and Teachings

At the heart of **When Things Fall Apart** lies the practice of **shenpa**, a Tibetan term often translated as "attachment" or "getting hooked." Chodron emphasizes recognizing **shenpa** as the first step to breaking destructive patterns of thought and behavior. She invites readers to observe their fear, anger, and sadness without judgment, fostering a radical acceptance that is both difficult and liberating.

Another fundamental concept is **impermanence**. Chodron continually reminds readers that all phenomena are transient, which paradoxically can be a source of comfort. Recognizing that pain and suffering are not permanent allows individuals to sit with discomfort rather than flee from it. This mindfulness practice is a hallmark of the book and a key reason for its lasting popularity.

Comparative Analysis: Pema Chodron and Other Authors on Coping with Crisis

In the landscape of self-help and spiritual guidance, **When Things Fall Apart** stands alongside other influential works such as Eckhart Tolle's **The Power of Now** and Brené Brown's **Rising Strong**. While all these authors focus on resilience, Chodron's approach is distinctly Buddhist, rooted in meditation and the cultivation of compassion.

Unlike some Western self-help books that emphasize positive thinking or goal-setting, Chodron's work acknowledges the messiness of life without offering quick fixes. Her writing encourages readers to "lean into" discomfort rather than avoid it, which can be both challenging and transformative.

Unique Features of Pema Chodron's Approach

- **Emphasis on Meditation:** Chodron offers practical meditation instructions that help readers develop mindfulness and awareness.
- **Non-Dualistic Philosophy:** She avoids dichotomies like good vs. bad, promoting a more integrated understanding of experience.
- **Compassion as a Practice:** The cultivation of compassion for oneself and others is central to her teachings.
- **Accessible Language:** Despite its deep philosophical roots, the book is written in clear, approachable language.

Practical Applications in Everyday Life

One of the reasons **When Things Fall Apart** continues to be widely recommended is its practical applicability. Whether dealing with personal loss, job insecurity, or general anxiety about the future, readers find Chodron's insights relevant and grounding.

How to Use These Teachings Daily

- **Mindful Breathing:** Taking moments throughout the day to focus on breath can anchor one's awareness in the present.
- **Welcoming Difficult Emotions:** Instead of suppressing feelings like fear or sadness, practice observing them with curiosity.
- **Recognizing *Shenpa*:** Becoming aware of the triggers that cause reactive patterns and gently choosing a different response.
- **Compassionate Self-Talk:** Treating oneself kindly during moments of failure or pain, as one would a dear friend.

Critiques and Limitations

While **When Things Fall Apart** is celebrated for its depth and clarity, some readers may find its Buddhist framework less accessible or relevant if they do not identify with spiritual traditions. Additionally, the book's encouragement to sit with discomfort might feel overwhelming to those in acute crisis or with certain mental health conditions.

Moreover, critics sometimes point out that the book does not provide extensive practical strategies for systemic issues such as poverty or discrimination, focusing instead on individual emotional resilience. This focus aligns with the book's intentions but limits its scope in addressing external factors impacting well-being.

Balancing Spiritual Insight with Practical Needs

For readers seeking a balance between spiritual wisdom and pragmatic advice, supplementing Chodron's work with therapy or community support can be beneficial. The book functions best as a companion to broader healing practices rather than a standalone solution.

The Enduring Influence of "When Things Fall Apart"

More than two decades since its publication, *When Things Fall Apart* remains relevant. In an era marked by rapid change, global uncertainty, and personal upheaval, Pema Chodron's message offers a pathway to resilience grounded in acceptance and compassion.

Her work has inspired meditation teachers, therapists, and individuals worldwide. It has been translated into multiple languages and continues to influence contemporary mindfulness practices and spiritual discourse.

In summary, *when things fall apart pema chodron* is not just a book title but a guiding principle for facing the inevitable challenges life presents. Through its profound yet accessible teachings, it invites readers to transform suffering into an opportunity for growth, making it an essential read for anyone seeking stability amidst chaos.

when things fall apart pema chodron: The Myth of Freedom and the Way of Meditation Chögyam Trungpa, 2002-02-12 Featuring a new foreword by Pema Chödrön, this Tibetan Buddhist classic explores the meaning of freedom and how we can attain it through meditation Freedom is generally thought of as the ability to achieve goals and satisfy desires. But what are the sources of these goals and desires? If they arise from ignorance, habitual patterns, and negative emotions, is the freedom to pursue these goals true freedom—or is it just a myth? In *The Myth of Freedom and the Way of Meditation*, Chögyam Trungpa explores the true meaning of freedom, showing us how our attitudes, preconceptions, and even our spiritual practices can become chains that bind us to repetitive patterns of frustration and despair. He also explains how meditation can bring into focus the causes of frustration, and how these negative forces can aid us in advancing toward true freedom. Trungpa's unique ability to express the essence of Buddhist teachings in the language and imagery of contemporary American culture makes this book one of the best, most accessible sources of the Buddhist doctrine ever written.

when things fall apart pema chodron: Summary of When Things Fall Apart Fastreads, 2016-11-22 The most difficult times for many of us are the ones we give ourselves. The most fundamental aggression to ourselves, the most fundamental harm we can do to ourselves, is to remain ignorant by not having the courage and the respect to look at ourselves honestly and gently. We don't set out to save the world; we set out to wonder how other people are doing and to reflect on how our actions affect other people's hearts. When we protect ourselves so we won't feel pain, that protection becomes like armor, like armor that imprisons the softness of the heart. ***Don't miss Pema Chodron's in-depth look at fear, suffering, loneliness, and the Buddhist-inspired teachings that can help you become the best version of yourself. Accepting the struggle is part of transcending it, and this book will show you how you can do that.*** What Will You Learn from Reading This Book? You will learn about compassion You will learn about suffering, death, and discomfort You will learn about meditation You will learn how to live in the present moment You will learn how to be gentle towards yourself You will learn about the path You will learn about fear of death and existence/life You will learn about the four maras Book Summary Overview Chodron utilizes the Buddhist teachings on suffering and death in order to come to terms with struggle, loss, and unhappiness in her own life. This book will teach you how you can do the same. Suffering is caused by our perceptions and opinions. We must not run away from suffering as it only brings us closer to the suffering we are avoiding. It teaches us about compassion and how it is directed not only to others but also to ourselves. This book incorporates teaching of the Buddha into its discourse such as suffering, dharma, and tonglen. Reading it will give you new perspective on the meaning of fear, how it is a vital part of our existence, and how to be kinder to yourself. Reading this book will make you feel instantly better about your place in the world, and within yourself. Click Buy now with 1-Click to Own Your Copy Today!

when things fall apart pema chodron: Comparative Philosophy and Religion in Times of Terror Douglas Allen, 2006-01-01 Comparative philosophy and religion can help us to understand

the violence and terror that often dominate our world. These new, creative studies - ranging in scope from ancient Biblical, Greek, Indian, and Chinese formulations to recent religious and philosophical positions - broaden and deepen our understanding of terror and present new possibilities for greater nonviolence, peace, and true security.

when things fall apart pema chodron: In the Face of Fear Barry Boyce, 2009-09-22 Most of us have never experienced such deep anxiety and uncertainty in the world as we are in these current times; this anthology of Buddhist teachings offers an antidote. While we can't control the home foreclosures, job losses, dwindling savings, and the other myriad challenges facing our society, Buddhism teaches us that there is one thing we can always control: our own state of mind. How we react to the ups and downs of life makes all the difference, and Buddhism offers a wealth of wisdom and practices to help us maintain a stable, wise, and helpful state of mind no matter what happens. *In the Face of Fear* shows us how to • remain open, joyful, and caring, even when life is stressful • avoid old behavior patterns that only make things worse • access our innate confidence and fearlessness • turn difficult times into opportunities for spiritual development • learn why caring for others is the best way to relieve our own suffering • discover that our true nature is always awake, wise, and good, no matter what is happening This anthology features the greatest contemporary Buddhist teachers and writers—people renowned for addressing precisely the problems we're facing today—including the Dalai Lama, Pema Chödrön, Thich Nhat Hanh, Chögyam Trungpa, Sylvia Boorstein, Jack Kornfield, Norman Fischer, Jon Kabat-Zinn, Sharon Salzberg, and many others.

when things fall apart pema chodron: Summary, Analysis, and Review of Pema Chodron's When Things Fall Apart: Heart Advice for Difficult Times Start Publishing Notes, 2018-01-03 PLEASE NOTE: This is a key takeaways and analysis of the book and NOT the original book. Start Publishing Notes' Summary, Analysis, and Review of Pema Chodron's *When Things Fall Apart: Heart Advice for Difficult Times* includes a summary of the book, review, analysis & key takeaways, and detailed About the Author section. PREVIEW: After a year-long sabbatical in 1995, Pema Chodron, an American Buddhist nun, realized that the way to overcome fear, pain, loss, and anxiety is to confront those negative emotions in order to transform one's suffering and negative patterns in life in order to obtain a life of joy rather than one of hardship. In *When Things Fall Apart* Chodron sees two overarching themes: a need for maitri (loving-kindness towards oneself) and how practicing maitri develops a more compassionate attitude towards our own and others' struggles; and a dissolving of dualistic tensions (us and them) by inviting in what we usually avoid by (as her teacher said) leaning into the sharp points. According to Chodron, fear is a universal, negative emotion, and a natural reaction is to protect oneself by moving away from that fear, literally and metaphorically. Despite this reaction, it's more important to see clearly. We should lean in to negative emotions and life's discomforts and learn from being stuck in that time and place.

when things fall apart pema chodron: The Way of Being Lost Victoria Price, 2018-01-15 In this intimate, inspiring guide to finding one's path, the daughter of Vincent Price shares her journey toward accepting his legacy of remaining curious, giving back, practicing joy, and saying yes.

when things fall apart pema chodron: SUMMARY Edition Shortcut (author), 1901

when things fall apart pema chodron: *Insight Meditation* Joseph Goldstein, 2003-03-25 A leading meditation teacher and the co-founder of the Insight Meditation Society offers “an intelligent, thorough, startlingly clear” overview of Buddhism and Western vipassana practice” (Los Angeles Times) In *Insight Meditation*, Joseph Goldstein provides an overview of Buddhist practice and its context generally while focusing on vipassana meditation specifically. He covers what the path itself is composed of, how to practice, what freeing the mind is all about, how karma works, the connection between psychology and dharma practice, and a look at what selflessness really is. The concluding chapter is a detailed exploration of how to practice in the world, touching on topics like the art of communication, family relationships, work and livelihood, dying, and how to really be of benefit to others.

when things fall apart pema chodron: Zen Lessons Dahui, 2004-04-20 *Zen Lessons: The Art of Leadership* is a guide to enlightened conduct for people in positions of authority. Based on the

teachings of several great Chinese Zen masters, it delves into the complexities of Zen literature during a time when societal pressures demanded a nuanced approach to spiritual practice. Drawing on their wisdom through private records, letters, and long-lost documents, readers are introduced to the intricate dynamics of leadership, integrity, and the communal responsibilities inherent in Zen. The book's short, accessible excerpts emphasize the importance of integrity, self-awareness, and compassion. The teachings reveal the necessity of cultivating genuine connections within a community, guiding practitioners toward a harmonious and enlightened existence. With its rich tapestry of anecdotes and historical context, the book provides a timeless exploration of how Zen principles can navigate the complexities of human relationships and foster a harmonious society. For those seeking a deeper understanding of leadership and personal growth, this book offers a compelling journey into the heart of Zen wisdom. It challenges readers to reflect on their own leadership qualities and the impact they have on their communities. Zen Lessons is a profound reflection on the delicate balance between tradition and adaptation in the pursuit of a meaningful life.

when things fall apart pema chodron: Conflict, Reconciliation and Peace Education

William Timpson, Elavie Ndura, Apollinaire Bangayimbaga, 2014-11-27 When the September 11, 2001 attacks in the United States occurred—causing that nation to wage wars of revenge in Afghanistan and Iraq—the people of Burundi were recovering from nearly forty years of violence, genocide and civil wars that had killed nearly one million and produced another million refugees. Here in this small East African nation, one of the four poorest nations on earth, however, was a desire for reconciliation—not revenge—and it still runs deep today. The University of Ngozi in northern Burundi was created in 1999 and is now dedicated to peace, reconciliation and sustainable development. People in this region tell remarkable stories of tragedy and recovery amid these horrors. Their stories can inspire others to preserve their humanity and resist the urge to continue the violence, focusing instead on forgiveness, reconciliation and a better way forward. This volume presents case study analysis while pointing to the promise of a new kind of education that is committed to sustainable peace and development. The lessons here for the rest of the world are deep and inspiring.

when things fall apart pema chodron: Dakini Power Michaela Haas, 2013-04-09 Pema

Chödrön, Joan Halifax, and ten other female Tibetan Buddhist teachers share inspiring personal stories, revealing how we can embody Buddhist wisdom and overcome everyday challenges What drives a young London librarian to board a ship to India, meditate in a remote cave by herself for twelve years, and then build a flourishing nunnery in the Himalayas? How does a surfer girl from Malibu become the head of the main international organization for Buddhist women? Why does the daughter of a music executive in Santa Monica dream so vividly of peacocks one night that she chases these images to Nepal, where she finds the love of her life in an unconventional young Tibetan master? The women featured in Dakini Power—contemporary teachers of Tibetan Buddhism, both Asians and Westerners, who teach in the West—have been universally recognized as accomplished practitioners and brilliant teachers whose life stories demonstrate their immense determination and bravery. Meeting them in this book, readers will be inspired to let go of old fears, explore new paths, and lead the lives they envision. Featured here are: Jetsun Khandro Rinpoche (This Precious Life) Dagmola Sakya (Princess in the Land of Snows) Jetsun Tenzin Palmo/Diane Perry (Into the Heart of Life) Pema Chödrön/Deirdre Blomfield-Brown (When Things Fall Apart; Start Where You Are) Khandro Tsering Chödrön (late aunt of Sogyal Rinpoche, author of The Tibetan Book of Living and Dying) Thubten Chodron/Cherry Greene (Buddhism for Beginners; Taming the Mind) Karma Lekshe Tsomo/Patricia Zenn (Buddhism Through American Women 's Eyes) Chagdud Khadro/Jane Dedman (P 'howa Commentary; Life in Relation to Death) Sangye Khandro/Nanci Gay Gustafson (Meditation, Transformation, and Dream Yoga) Roshi Joan Halifax (Being with Dying) Lama Tsultrim Allione/Joan Rousmanière Ewing (Women of Wisdom; Feeding Your Demons) Elizabeth Mattis-Namgyel (The Power of an Open Question)

when things fall apart pema chodron: Yes, Again Sallie H. Weissinger, 2025-07-30 Winner of

the Story Circle Network's The Gilda (Radner) Award and the Next Generation Indie Book Award. For fans of *Eat, Pray, Love* and *Wild* comes a laughter-through-tears memoir. With heartfelt emotion and spirit, Sallie Weissinger, a late-in-life widow, recounts the highs and lows of navigating the tricky online dating world of the 2000s. Interwoven throughout her adventures in search of a new relationship are stories from her childhood as a military brat, her southern heritage, her various marriages, and the volunteer work in Central and South America that helped her move forward through it all. Weissinger keeps her sense of humor as she meets men who lie, men who try to extort money, and men with unsavory pasts. When she experiences even more loss, her search for a partner becomes less important, but—with the help of friends and dogs—she perseveres and, ultimately, develops her own approach to meeting HIM. Blending the deeply serious and the lighthearted, *Yes, Again* shows us that good things happen when we open up our minds and hearts.

when things fall apart pema chodron: *And Then We Grew Up* Rachel Friedman, 2019-12-31 One of Publishers Weekly's Best Books of 2019 A journey through the many ways to live an artistic life—from the flashy and famous to the quiet and steady—full of unexpected insights about creativity and contentment, from the author of *The Good Girl's Guide to Getting Lost*. Rachel Friedman was a serious violist as a kid. She quit music in college but never stopped fantasizing about what her life might be like if she had never put down her bow. Years later, a freelance writer in New York, she again finds herself struggling with her fantasy of an artist's life versus its much more complicated reality. In search of answers, she decides to track down her childhood friends from Interlochen, a prestigious arts camp she attended, full of aspiring actors, artists, dancers, and musicians, to find out how their early creative ambitions have translated into adult careers, relationships, and identities. Rachel's conversations with these men and women spark nuanced revelations about creativity and being an artist: that it doesn't have to be all or nothing, that success isn't always linear, that sometimes it's okay to quit. *And Then We Grew Up* is for anyone who has given up a childhood dream and wondered "what-if?", for those who have aspired to do what they love and had doubts along the way, and for all whose careers fall somewhere between emerging and established. Warm, whip-smart, and insightful, it offers inspiration for finding creative fulfillment wherever we end up in life.

when things fall apart pema chodron: *Fortune Favors the Brave* Lisa Congdon, 2015-08-18 Hand-lettered inspiration from the beloved indie artist and bestselling author of *Whatever You Are, Be a Good One*. A treasure trove of inspiring quotations, this volume from beloved author and artist Lisa Congdon gathers rousing wisdom from history's great minds on how to be bold, stay strong, and take courage. Congdon lends her signature style of brilliant hand lettering to sage advice on such subjects as perseverance ("If you fell down yesterday, stand up today" —H.G. Wells), authenticity ("What should I be but just what I am?" —Edna St. Vincent Millay), and confronting fear ("Not everything that is faced can be changed, but nothing can be changed until it is faced" —James Baldwin). Filled with uplifting reminders to seize the day, *Fortune Favors the Brave* demonstrates that when embarking on a new adventure, the right words of encouragement can be a priceless gift. Praise for *Whatever You Are, Be a Good One* "An impossibly charming compendium . . . The common thread underpinning these quotes . . . is Congdon's own sensibility about what it means to live with kindness and integrity, to cherish beauty and the creative spirit, and ultimately to be a good human being." —Brain Pickings "This beautifully hand-lettered book shares 100 inspirational quotations from great minds such as Oscar Wilde, George Eliot, and Walt Whitman. Revisit this colorful read whenever you need a pick-me-up—or a push—to get out there and make the most of your day." —Real Simple
